RE: **Incident Activity Reports for the Month of June 2022**

There were 34 incidents that occurred during the month of June in the community of Kensington. This is a decrease of two incidents over the previous month. Please see the attached “Incident Log” for the dates and times, locations, and incident type for these calls that the Fire Department responded to this past month. During this same time, Engine 165 responded to a total of 71 calls for service which is an increase of 6 incidents over the previous month. Overall, the El Cerrito-Kensington Fire Department has responded to 1,952 calls for service so far this year.

The chart below is a breakdown of the seven incident response types tracked by the State and National fire incident reporting systems. The following is the number of responses for each type and the percentage of the total calls for each type and all the responses in the community of Kensington.
