EMERGENCY SUPPLY CHECKLIST

Stock up on enough supplies to last a week and refresh your kit once a year. Put your supplies in a waterproof container and store your kit in a place that is easy to reach. We suggest using the following items to start building your kit.

Health and Personal Supplies

- Basic First Aid Kit**
From antibiotic ointments and bandages to cold packs and more
- Medication & Eyeglasses**
Prescription and non-prescription

Food and Water

- Drinking Water**
1 gallon of water per person, per day
- Food**
Include food for all members of your household, including pets, that is non-perishable and easy to prepare without water
- Tools & Utensils**
Non-electric can opener, forks, spoons and knives

Equipment

- Flashlights**
Do not use candles
- Mobile Phone & Charger**
External USB Battery Packs are also helpful.
