PREPARING IN PARTNERSHIP

KENSINGTON
FIRE PROTECTION DISTRICT

READY, SET, GO!

Ready,

1. Register to receive emergency alerts. Visit: www.cwsalerts.com.
2. Text your zip code to 888777 from your mobile phone to receive Nixel Text Alerts.
3. Visit kensingtonfire.org/drill to read the evacuation drill objectives and plan.

Encourage neighbors to register and participate.

Set,

1. Have your Go Bag accessible.
2. Learn multiple evacuation route options.

Improve evacuation efficiency by adopting your street's car parking etiquette. Collaborate with your neighbors to establish best practices.

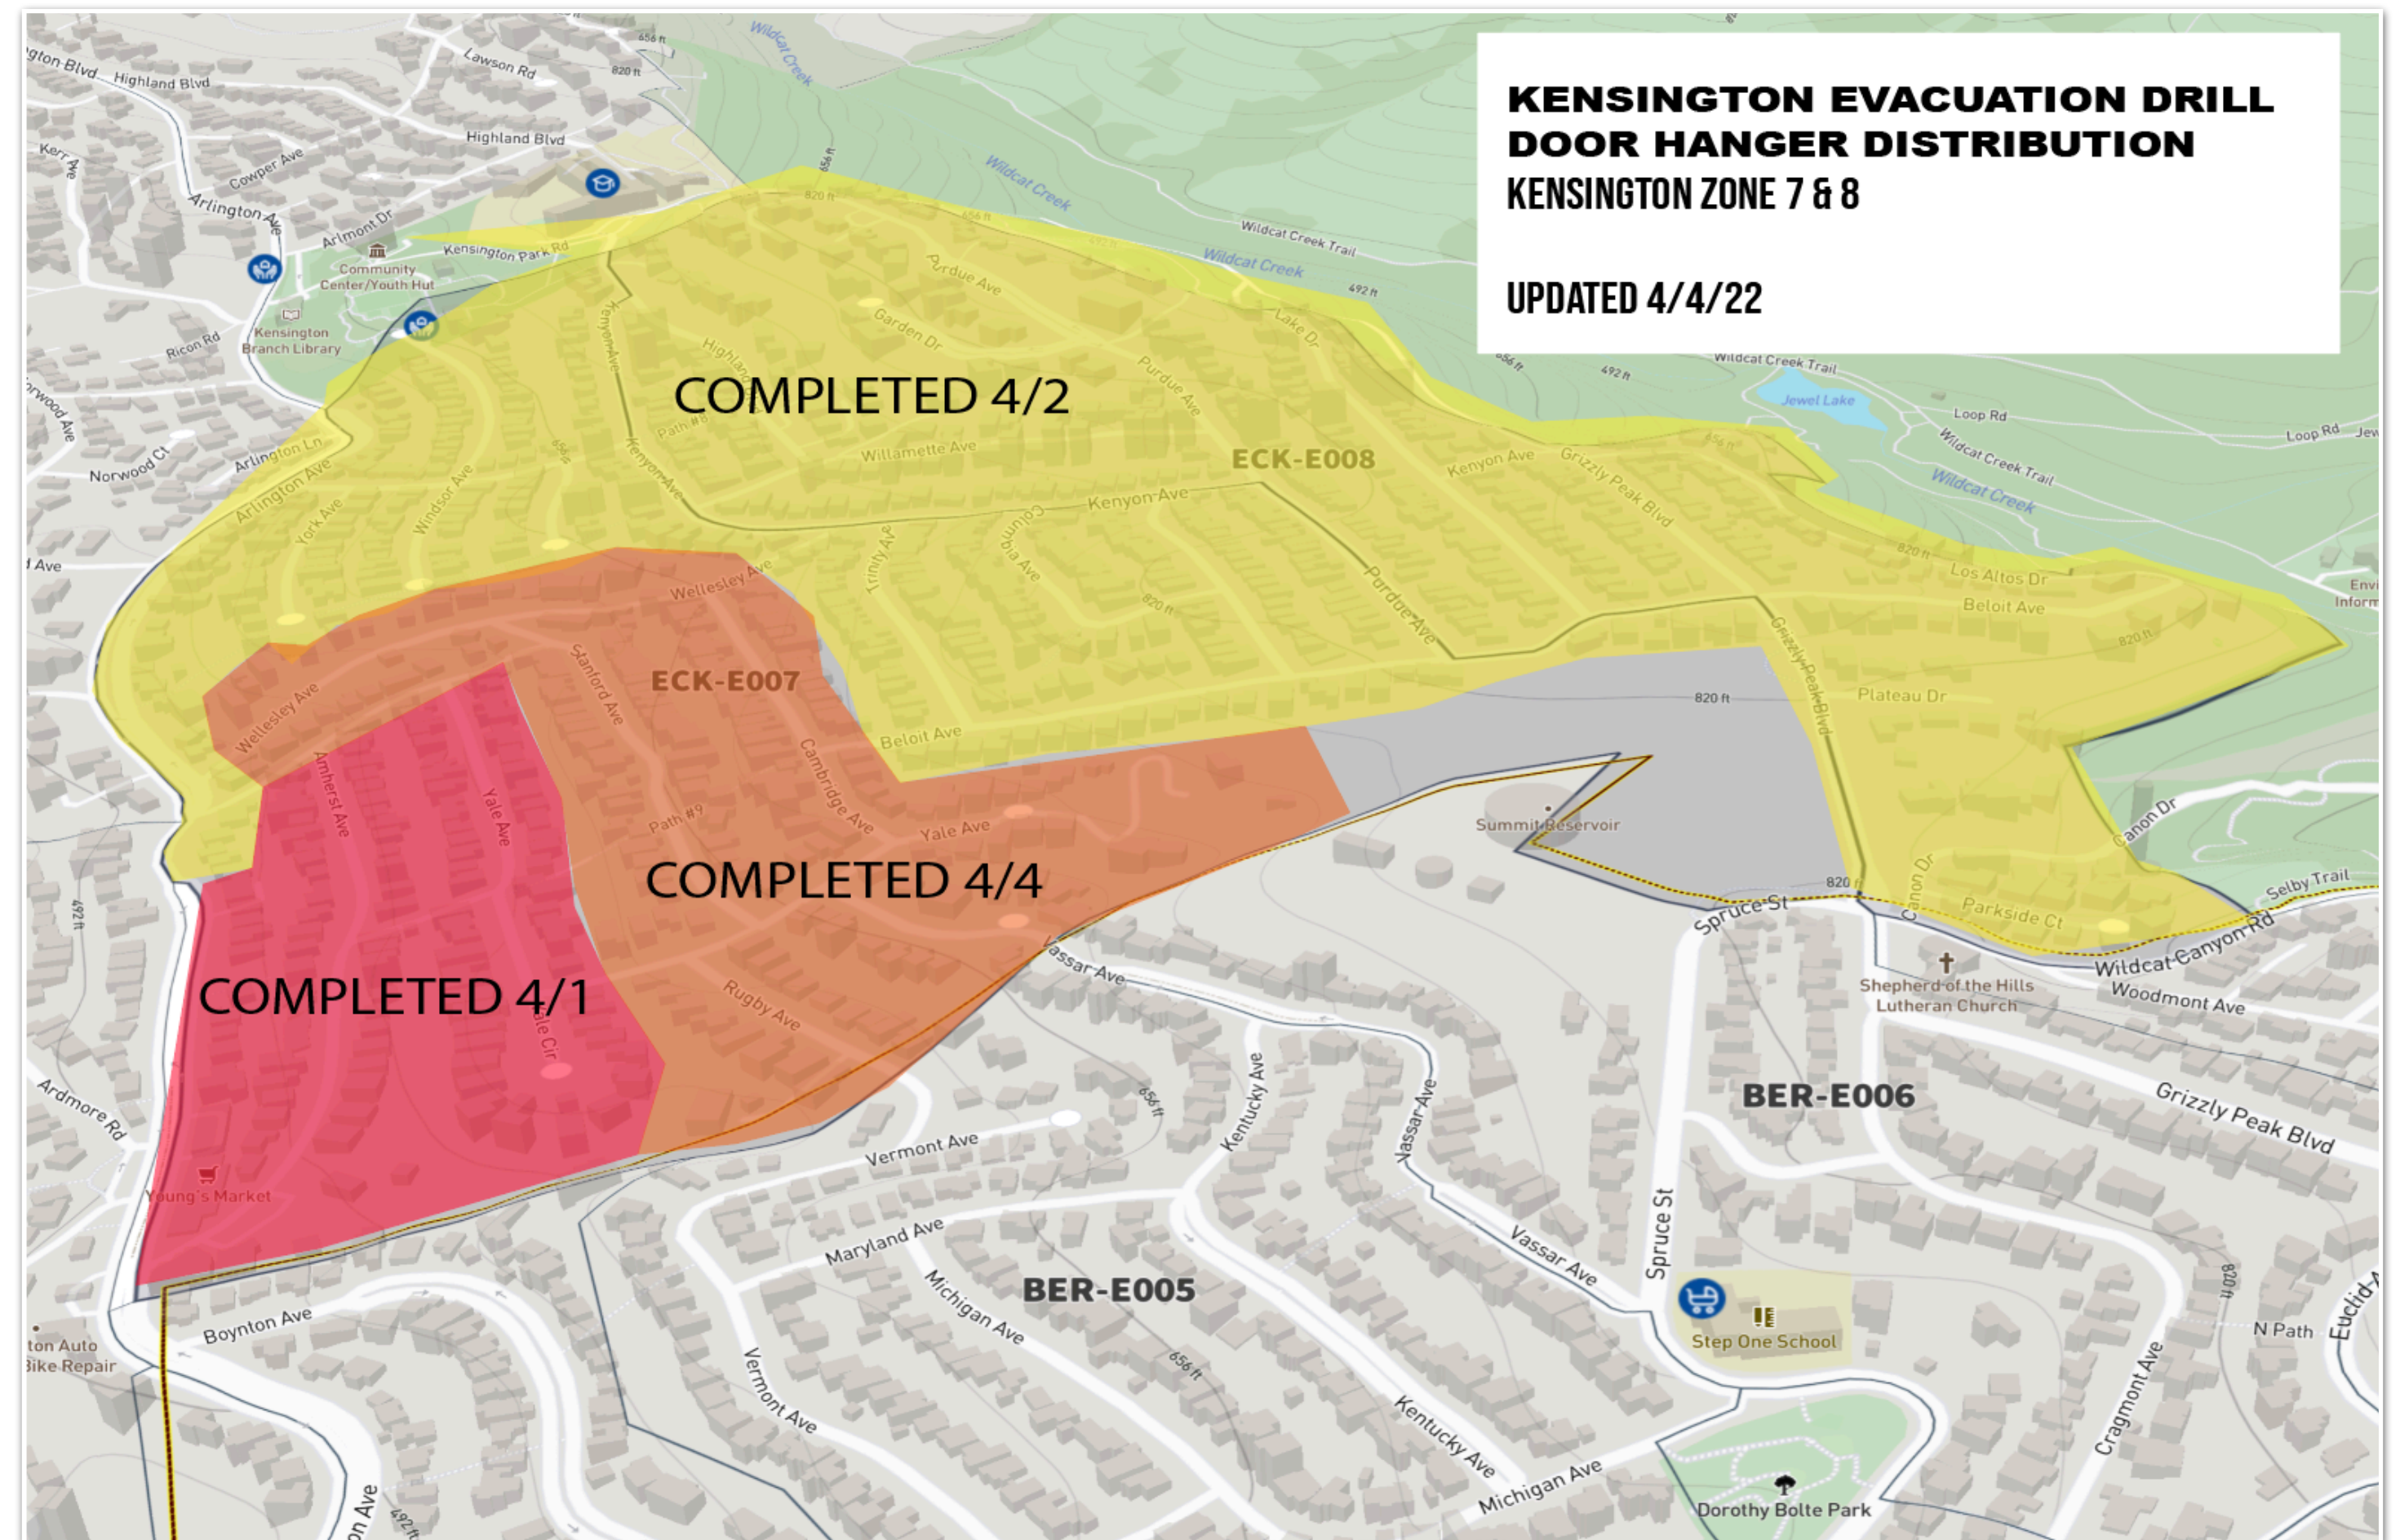

GO!

1. On April 9th at 9:00 am, You will receive a message from CWS. This message will include instructions specific to your street. Visit kensingtonfire.org/drill to see what you should expect.
2. After the evacuation drill, please complete the online survey provided with the CWS alert. This survey will give first responders valuable information to improve emergency planning.

This drill is voluntary; however, participation is critical to planning for an emergency. We encourage every resident to be aware of the Kensington Evacuation Drill and the intent to increase preparedness and resiliency in the community.

Please visit our library of preparedness resources: www.kensingtonfire.org/prepare.

COMMUNITY FEEDBACK

It took 8 min total.

Change parking orientation so that streets leading up to Purdue are parked facing down.

coming down Wellesley, turning onto Sunset will be a HUGE congestion/back up point.

crossing Arlington may need some traffic management.

12 mins from Plateau to El Cerrito Plaza BART

Need person at cemetery light jammed up at light.

The new sign at the turn down Sunset from the Arlington was blocked by tall hedges.

I received call at 9am, loaded for bags and pets and was at the checkin site by 9:14am.

Phone marked call as spam message and was blocked.

Drivers paused before taking Wellesley because there is often oncoming traffic.
