Budget Message

September 9, 2020

Board of Directors
Kensington Fire Protection District

Directors:

It is my pleasure to present to you the Kensington Fire Protection District ("KFPD") Final Budget for Fiscal Year 2020-2021. This budget serves as the foundation for KFPD's commitment to serving the Kensington community in protecting the lives, property, and environment of the community from the disastrous effects of fires, medical emergencies, natural disasters, and other hazardous conditions.

KFPD has begun implementing a budget format which includes both financial information and narrative describing various aspects of KFPD. This serves not only to demonstrate the planned revenues and expenditures of KFPD, but also to communicate to the public important information on strategic planning and priorities.

In the short-term, priorities include:

- Updates to various policies;
- Potential renovation of the Public Safety Building;
- Refining and improving of internal processes;
- Identifying and implementing cost-savings opportunities; and
- Seeking Special District Certifications.

It is intended that this budget provides useful information to the Directors and members of the public. Your feedback is welcomed to facilitate continuous improvement.

Respectfully submitted,

Mary A. Morris-Mayorga, MBA Interim General Manager

District Profile

The unincorporated town of Kensington began a volunteer fire department in 1928. Twenty-four years later, the Kensington Fire Protection District (formed in 1937) hired a staff of professional firefighters under the supervision of a fire chief. The District is organized under the State's Health & Safety Code Section 13800, commonly known as the Bergeson Fire District Law. In 1995, the District entered into a contract with the City of El Cerrito whereby El Cerrito would provide all fire prevention, fire suppression and emergency services within Kensington for an annual fee. As a result, the District's only current employee is its Interim General Manager (GM), Mary A. Morris-Mayorga. Salary information for the District's GM can be found at www.publicpay.ca.gov.

The early fire department was housed in a small, quaint English country-style building next to the Chevron Oil gas station on the Arlington. The current public safety building, owned by the District, was constructed in 1970 and substantially renovated in 1999 and 2004. The District owns two fire engines, one specifically engineered for the steep, narrow streets of Kensington and the other a "Type III" or wildland engine for use during high fire season.

In recent years the District embarked on a series of water system improvements by contract with the East Bay Municipal Utility District to enhance the provision of water along the wildland interface and to optimize the placement of hydrants throughout the community. The District initiated paramedic service in 2001. It offers the first engine-based Advanced Life Support service in West Contra Costa County, bringing medications and equipment to a patient's side in under 5 minutes on average.

The District is able to provide a timely and appropriate level of response by active participation with other West Contra Costa County fire agencies in automatic response agreements that use the combined resources of all agencies to serve the area irrespective of jurisdictional lines.

The District operates a Community Emergency Response Team Training (CERT) program under the direction of Battalion Chief David Gibson. For more information on CERT, see our "CERT Training" tab or www.el-cerrito.org/index.aspx?nid=133. Funding for District expenses is provided by property tax revenues as well as a special tax approved by the voters in 1980.

Mission

Our mission is to provide the highest level of service to Kensington in order to protect the lives, property, and environment of the community from the disastrous effects of fires, medical emergencies, natural disasters, and other hazardous conditions.

Strategic Planning and Goals

The District's last strategic planning session was held on May 6, 2015 and the following objectives were identified:

- 1. Reducing loss of life and property and safeguarding the environment by
- 2. effectively responding to fire, rescue and medical emergencies, hazardous material incidents and major disasters;
- 3. Helping members of the community reduce the frequency and
- 4. severity of fires, accidents and natural disasters by providing public education programs;
- 5. Reducing threats to public safety by enforcing laws, codes and ordinances covering fire and
- 6. life safety and by abating identified fire hazards on City, private and other agencies' property; and
- 7. Maintaining personnel, apparatus, equipment and facilities in a constantly ready condition.

Organization Chart

Fund Structure

District financial activities are recorded in three major governmental funds.

General Fund - operating fund of the District and is used for all financial resources except those required to be accounted for in another fund.

Special Revenue Fund - accounts for the special tax authorized by Section 53978 of the Government Code and approved by the District's electorate on April 8, 1980.

Capital Project Fund - used to account for financial resources in the acquisition, construction, or rehabilitation of major capital facilities and inventory.

Budget Schedule

In general, the annual budget schedule is as follows:

Actual and estimated cash reserves are broken out into three major categories: operating, capital outlay and CERBT. Capital outlay is further broken down in the table which follows; however, reserves are updated above for actual and projected results and will also include an interest income component which this table does not include. CERBT, while listed, are funds specifically dedicated to payment of post-retirement employment benefits and restricted pursuant to the Internal Revenue Code.
