#### **KENSINGTON FIRE PROTECTION DISTRICT**

REGULAR MEETING OF THE BOARD OF DIRECTORS AGENDA

Wednesday, July 8, 2020 7:00pm Via Zoom Teleconference

Due to COVID-19, and in accordance with California Executive Orders N-25-20 and N-29-20, the District Board meeting will not be physically open to the public and all Board Members will be teleconferencing into the meeting. To maximize public safety while still maintaining transparency and public access, members of the public can observe the meeting by accessing <a href="https://zoom.us/j/98735271685">https://zoom.us/j/98735271685</a> (on the day and time of the meeting) and may provide public comment by sending comments to the Board President and Board Clerk via email at <a href="mailto:public.comment@kensingtonfire.org">public.comment@kensingtonfire.org</a>. Comments will then be read into the record, with a maximum allowance of 5 minutes per individual comment, subject to the Chair's discretion.

Any member of the public who needs special accommodations should email <a href="mailto:public.comment@kensingtonfire.org">public.comment@kensingtonfire.org</a> 48 hours prior to the meeting. This will enable the Kensington Fire Protection District to make reasonable arrangements to ensure accessibility to this meeting (28 CFR 35.102-35.104 ADA Title 1).

Oral communications will be taken on each agenda item. Each member of the public will be allotted the same maximum number of minutes to speak as set by the President before or during its consideration, except that public speakers using interpretation assistance will be allowed to testify for twice the amount of the public testimony time limit (California Government Code section 54954.3(a)).

#### 1. CALL TO ORDER/ROLL CALL

President Stein, Vice President Padian, Directors Dommer, Kosel, and Nagel

- 2. ORAL COMMUNICATIONS. This place on the agenda is reserved for comments and inquiries from citizens and Board members concerning matters that do not otherwise appear on the agenda. Speakers shall be requested to provide their names and addresses prior to giving public comments or making inquiries.
- **3. ADOPTION OF CONSENT ITEMS.** Items 3.1 3.4 listed below are consent items, which are considered to be routine by the Board of Directors and will be enacted by one motion. The Board of Directors has received and considered reports and recommendations prior to

assigning consent item designations to the various items. Copies of the reports are on file in the Fire Protection District Administrative Office at 217 Arlington Avenue and are available to the public. The disposition of the item is indicated. There will be no separate discussion of consent items. If discussion is requested for an item, that item will be removed from the list of consent items and considered separately on the agenda.

- **3.1.** Approval of Minutes of the regular meetings of March 11 (*listed on June 10 agenda, omitted in packet*) and June 10, 2020 and special meetings of May 27, June 3, and June 26, 2020 (supporting material) (ACTION)
- **3.2.** Acceptance of Incident Activity Report June 2020 (ACCEPT)
- **3.3.** Approval of Monthly Financial Report June 2020 (APPROVE)
- **3.4.** Approval of Monthly Transmittal June 2020 (APPROVE)

#### 4. PUBLIC HEARING

4.1. Fire Hazard Abatement Hearing on the designation of properties containing fire hazards.

Prior to beginning the public hearing, the President will ask those in the audience having objections to the designation of their property as containing fire hazards to identify their property addresses. Public Hearing Procedure: The President will open the public hearing and then:

- (a) Call for staff report and recommendation from staff.
- (b) Call for comments from those in the audience regarding fire hazard abatement.
- (c) Close the public hearing terminating public testimony. The Board of Directors will then deliberate the matter and arrive at a decision.

Resolution 20-09 Declaring that Weeds, Rubbish, Litter or other Flammable Material on Designated Private Properties Constitutes a Public Nuisance and Providing for Notice that the Fire Chief or Designee Shall Abate Such Public Nuisance Conditions if not Abated by the Property Owner (ACTION)

#### 5. ADMINISTRATIVE ITEMS

- 5.1. Regional Government Services Invoices for May and June (ACTION)
- **5.2.** Volunteer Resident Appointment to the Emergency Preparedness Committee (ACTION)
- 5.3. Adoption of Resolution 20-10 Approving Amendments to Policy 130 Pay Periods (Second Reading) (supporting material)
- **5.4.** Proposed Amendment to Policy 1150 Budget Preparation and Review (First Reading) (supporting material)

- 5.5. Final Payment for Fire Apparatus Purchase Authorized in September 2018 (APPROVE) (supporting material)
- **5.6.** Sale or Surplus of Replaced Fire Apparatus (ACTION) (supporting material)
- 5.7. Public Safety Building Renovation County Evaluation Estimated Cost (APPROVE) (supporting material)
- **5.8.** Proposed Letter to CCC Fire Chief Re: Cameras on Vollmer Peak (APPROVE) (supporting material)
- 5.9. Presentation by ZoneHaven on Proposed Evacuation Tool Subscription Service (ACTION) (supporting material)
- 6. President's Report
  - **6.1.** On the Horizon: Defining the Roles and Responsibilities of Board Committees Versus Those of the General Manager
- 7. Interim General Manager's Report
  - 7.1. Public Safety Building Renovation Update (supporting material)
  - **7.2.** Action Plan Update (supporting material)
- 8. Fire Chief's Report (supporting material)
- 9. Board Reports

Informational reports from Board members or staff covering the following assignments

- **9.1.** Emergency Preparedness Committee (Padian/Nagel) (supporting material)
- **9.2.** California Special Districts Association Representatives:
  - 9.2.1. County (Nagel)
  - 9.2.2. State Professional Development and Membership Services Committees (Kosel)
- 10. Adjournment

#### 1. CALL TO ORDER/ROLL CALL

President Stein called the meeting to order at 7:02pm.

Present (Via Teleconference: President Stein, Vice President Padian, Directors Kosel and Nagel. Director Dommer arrived at 7:31 pm.

2. ORAL COMMUNICATIONS. This place on the agenda is reserved for comments and inquiries from citizens and Board members concerning matters that do not otherwise appear on the agenda. Speakers shall be requested to provide their names and addresses prior to giving public comments or making inquiries.

Director Kosel shared that La Morinda CERT Fire is offering water drums/fire extinguishers at cost. These items need to be ordered online by 6/18/20. Director Nagel stated that we

June 10, 2020 Board of Directors Regular Meeting Minutes Page **2** of **5** 

are in the middle of fire season and need to motivate the public. Director Padian would like announcements added to the website.

3. ADOPTION OF CONSENT ITEMS. Items 3.1 - 3.6 listed below are consent items, which are considered to be routine by the Board of Directors and will be enacted by one motion. The Board of Directors has received and considered reports and recommendations prior to assigning consent item designations to the various items. Copies of the reports are on file in the Fire Protection District Administrative Office at 217 Arlington Avenue and are available to the public. The disposition of the item is indicated. There will be no separate discussion of consent items. If discussion is requested for an item, that item will be removed from the list of consent items and considered separately on the agenda.

**Moved/Seconded:** Director Nagel/Director Padian **Action:** Passed a motion to approve consent items 3.1, 3.2, 3.4 – 3.6. **Ayes:** President Stein, Vice President Padian, Directors Kosel and Nagel **Noes:** None

**3.1. Approval of Minutes** of the regular meetings of March 11, and April 8, 2020 and special meetings of January 25, March 4, March 11, April 15, and May 1, 2020

**Action:** Approved Minutes

3.2. Acceptance of Incident Activity Report May 2020

**Action:** Accepted Report

**3.3.** Approval of Monthly Financial Report May 2020

Moved/Seconded: Director Kosel/Director Nagel Action: Removed from consent Ayes: President Stein, Vice President Padian, Directors Kosel and Nagel, Noes: None Board Discussion: Directors raised concerns on the accuracy of the report. Moved/Seconded: Director Kosel/Director Nagel Action: Rejected Report Ayes: President Stein, Directors Dommer, Kosel, and Nagel, Vice-President Padian Noes: None

Concerns were raised regarding the April Financial Report – a few questions/concerns the board would like address are below:

- Revenue/expenses vs. actual income received.
- Is this accrual or cash basis?
- Why is interest income so much lower for the currently year?
- Clarification of what the \$29,000 expense for medical services is.
- Is the Battalion Chief car budgeted as \$59,000 expense (should this be reclassified as an asset)?
- Outside Professional Services (RFP Consultants)

#### 3.4. Approval of Monthly Transmittal May 2020

**Action:** Approved Transmittal

June 10, 2020 Board of Directors Regular Meeting Minutes Page **3** of **5** 

**3.5. Approval of Resolution 20-05** Establishing the Appropriations Limit for Fiscal Year 2020-2021

**Action:** Approved Resolution 20-05

**3.6. Approval of Resolution 20-06** Authorizing the County to Place the District's Special Tax on the Tax Roll and to Collect the Special Tax for Fiscal Year 2020-2021

**Action:** Approved Resolution 20-06

#### 4. ADMINISTRATIVE ITEMS

#### 4.1. Fire Services Contract Fee Proposal for Fiscal Year 2020-2021

**Motion/Seconded:** Director Kosel/Director Nagel **Action:** Accepted Fee Proposal **Ayes:** President Stein, Directors Dommer, Kosel, and Nagel, Vice-President Padian

Noes: None

Fire Chief Pignoi presented the proposal. Reconciliation from 2018-2019 fiscal year was \$289,193.75. Three retirements unforeseen increased this reconciliation amount. Currently preliminary budget is \$3,518,174 including the reconciliation for 2020-2021 fiscal year. Fire Services is attempting to limit overtime by filling vacancies with the goal of reducing overtime to \$400,000. The goal is to minimize the reconciliation with a stable budget. Salary remains flat for 2020-2021 and Kensington's 10 year contract should protect Kensington from much budget fluctuations. 2019-2020 will have a reconciliation due to one retirement and a medical leave.

#### 4.2. Adopt Resolution 20-07 Preliminary Fiscal Year 2020-2021 Budget

**Motion/Seconded:** Director Kosel/Director Nagel **Action:** Approved Resolution 20-07 **Ayes:** President Stein, Directors Dommer, Kosel, and Nagel, Vice-President Padian **Noes:** None

Recommendation for additional monies for grant writer and IT/Website items

#### 4.3. RGS April Invoice and Contract Completion

**Motion/Seconded:** Director Kosel/Director Nagel **Action:** Refuse to pay RSG bill and inform RSG we are seeking legal counsel for a best approach immediately and then call a special board meeting for discussion for a responsible resolution **Ayes:** President Stein, Directors Kosel and Nagel, Vice-President Padian

Noes: Director Dommer

## 4.4. Accept Consultant's Recommendation to Advertise the General Manager Position as Part-Time

**Board Discussion:** Discussion on the percentage considered part-time to advertise.

June 10, 2020 Board of Directors Regular Meeting Minutes Page **4** of **5**

IGM Morris-Mayorga reported that legal counsel drafted the lease extension and it has been provided to Bill Lyndsay/IGM, KPPCSD.

#### 8. Board Reports

None

#### 9. Adjournment

**Moved/Seconded:** Vice President Padian/President Stein **Action:** Adjourned the meeting at 10:17pm **Ayes:** President Stein, Vice President Padian, Directors Dommer and Nagel

Noes: None

#### **KENSINGTON FIRE PROTECTION DISTRICT**

SPECIAL MEETING OF THE BOARD OF DIRECTORS MINUTES

Wednesday, May 27, 2020 3:15 – 5:15pm Via Zoom Teleconference

Due to COVID-19, and in accordance with California Executive Orders N-25-20 and N-29-20, the District Board meeting will not be physically open to the public and all Board Members will be teleconferencing into the meeting. To maximize public safety while still maintaining transparency and public access, members of the public can observe the meeting by accessing <a href="https://us02web.zoom.us/j/88439811767">https://us02web.zoom.us/j/88439811767</a> (on the day and time of the meeting) and may provide public comment by sending comments to the Board President and Board Clerk via email at <a href="mailto:public.comment@kensingtonfire.org">public.comment@kensingtonfire.org</a>. Comments will then be read into the record, with a maximum allowance of 5 minutes per individual comment, subject to the Chair's discretion.

Any member of the public who needs special accommodations should email <a href="mailto:public.comment@kensingtonfire.org">public.comment@kensingtonfire.org</a> 48 hours prior to the meeting. This will enable the Kensington Fire Protection District to make reasonable arrangements to ensure accessibility to this meeting (28 CFR 35.102-35.104 ADA Title 1).

Oral communications will be taken on each agenda item. Each member of the public will be allotted the same maximum number of minutes to speak as set by the President before or during its consideration, except that public speakers using interpretation assistance will be allowed to testify for twice the amount of the public testimony time limit (California Government Code section 54954.3(a)).

#### 1. CALL TO ORDER

President Stein called the meeting to order at 3:23pm. **Present:** Director Kosel, Vice President Padian and President Stein; Director Nagel (arrived late), and Director Dommer (arrived late).

2. Consideration of Approving an Agreement with RDC for a Board Workshop on the Public Safety Building Renovation Evaluation and Next Steps

**Presentation and Discussion:** Mary Morris-Mayorga, Interim General Manager reviewed the RDC Extra Service Order (ESR007) which is for the Public Safety Building Special Meeting presentation and any next steps the Boards directs at that meeting. The Board clarified that direction would be provided to the Interim General Manager who will in turn provide direction to the architect. **Public Comment:** The question was asked whether this meeting will be open to the public and answered affirmatively. **Moved/Seconded** (10:20):

President Stein Director Dommer **Action:** Approved ESR007 to allow RDC to convene the special workshop for the Board. **Ayes:** President Stein, Vice President Padian, Directors Dommer and Kosel **Noes:** None

## 3. Consideratio of Approving an Agreement with MV Associates for Temporary Finance Support

**Presentation and Discussion:** Mary Morris-Mayorga, Interim General Manager reviewed the proposal from MV Cheng & Associates for temporary accounting services. **Action:** Approved an agreement in an amount not-to-exceed \$15,000. **Moved/Seconded** (31:00): Director Kosel/Director Nagel **Ayes:** President Stein, Vice President Padian, Directors Dommer, Kosel, and Nagel **Noes:** None

#### 4. Consideration of Approving Payment to Regional Government Services for March

Presentation and Discussion: Mary Morris-Mayorga, Interim General Manager reviewed the table of RGS billings and services provided stating that all appear to be within the scope of services along with some she specifically cited that were outside of normal day-to-day operations. The Board discussed concerns over the service received and the high price paid for. Moved/Seconded (23:31): Vice President Padian/Director Dommer Action: Approved payment Ayes: President Stein, Vice President Padian, Director Dommer Noes: Directors Kosel and Nagel

#### 5. Discussion of General Manager Recruitment with Brent Ives, BHI Management

**Presentation and Discussion:** Brent Ives with BHI Management presented the recruitment process. **Action:** No action

#### 6. Adjournment

The meeting was adjourned at 5:13pm.

**FROM:** Michael Pigoni: Fire Chief

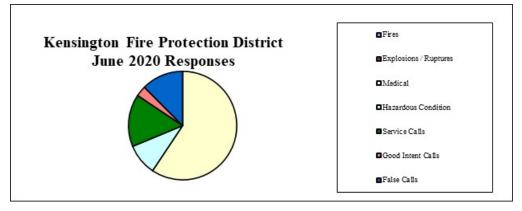

**RE:** Incident Activity Reports for the Month of June 2020

There were 32 incidents that occurred during the month of June in the community of Kensington. This is an increase of 1 call over the previous month. Please see the attached "Incident Log" for the dates and times, locations, and incident type for these calls that the Fire Department responded to this past month. During this same time, Engine 65 responded to a total of calls in all districts, an increase of 6 calls from last month.

There was a slight increase in responses last month, one in the community and 6 outside mainly due to an increase in responses into the park for smoke checks and possible vegetation fires. There was one significant call on Edgecroft on June 26<sup>th</sup> when a hiker in the creek bed between Berkeley and Kensington slipped and fell off a small cliff into the creek bed. The location was approximately 300' down from the street on a steep incline. The Fire Department was required to set up a rope rescue haul line to get firefighters to the victim to treat and package them up to be hauled back up to the street to be transported.

The chart below is broken down into NFIRS incident types. The following is a list of the response types, the number of responses for each type and the percentage of the total calls for each type for all the responses in the community of Kensington.

|                              |   | Incident |                    |
|------------------------------|---|----------|--------------------|
| Call Type                    |   | Count    | <b>Percentages</b> |
| Fires                        | (Structure, Trash, Vehicles, Vegetation Fires)        | 0        | 0.00%              |
| <b>Explosions / Ruptures</b> | (Over Pressure/Ruptures, Explosions, Bombs            | 0        | 0.00%              |
| Medical                      | (EMS, Vehicle Accidents, Extrication Rescue)          | 19       | 59.38%             |
| <b>Hazardous Condition</b>   | (Chemical Spills, Leaks, Down Power Lines)            | 3        | 9.38%              |
| Service Calls                | (Distress, Water/Smoke/Odor Problems, Public Assists) | 5        | 15.63%             |
| <b>Good Intent Calls</b>     | (Cancelled En Route, Wrong Location)                  | 1        | 3.13%              |
| False Calls                  | (Wrong Company/Unit Dispatched)                       | 4        | 12.50%             |
| Totals                       |   | 32       | 100.00%            |

**DATE:** July 8, 2020

RE: Monthly Financial Report - June 2020

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

#### **Recommended Action**

Staff recommends approval of the Monthly Financial Report for June 2020.

#### **Background**

At the June 10, 2020 Regular Meeting of the Board of Directors, the Board rejecting the monthly financial report for May 2020 citing a variety of questions and concerns. Since that meeting staff has had the opportunity to address many of those raised at that meeting: interest income, retiree health costs, and vehicle purchase. Transactions were recorded and/or reclassified as appropriate.

The June 2020 report includes the updates referenced above and research is being performed on any items that warrant review. As the final month of the fiscal year there will be additional reconciliation performed as part of preparing for the annual audit and final financial statements. Large adjustments are not anticipated at this point; however, with new staff and consultants this work will be completed over the next month.

#### Fiscal Impact

There is no fiscal impact.

#### AGENDA BILL

Subject: Annual Fire Hazard Abatement

Initiated by: David Gibson, Fire Marshal

Damien Carrion, Fire Prevention Officer

#### **BACKGROUND**

The Fire Department is continuing its annual fire hazard abatement program. This program seeks to remove weeds, rubbish, litter or other flammable material from private properties where such flammable material endangers the public safety by creating a public nuisance and a fire hazard. Most property owners voluntarily abate these hazards without Fire Department involvement. Ideally 100% of the property owners would do so. Experience in prior years suggests most will comply. Any property owners that do not comply will have the District do the work and place the costs on their tax bill.

#### ANALYSIS/DISCUSSION

The Fire Hazard Abatement process under the direction of the Fire Department should proceed according to Health and Safety Code Sections 14875 et seq which specify the following:

- 1. The El Cerrito Fire Department on behalf of the Kensington Fire Protection District has determined hazards that must be abated. Pursuant to these code sections, hazards are defined as weeds, rubbish, litter or other flammable materials which create a fire hazard or are otherwise noxious or dangerous and which exist on specific parcels of property within the boundaries of the District.
- 2. Notice was sent by mail that the Fire District has determined the existence of a public nuisance which must be abated and that a hearing will be held to consider any objections prior to ordering the Fire Chief or his designee to perform abatement.
- 3. At the July 8, 2020 meeting, the Board of Directors shall hear and consider all objections to the proposed removal of weeds, rubbish, litter or other flammable material. At the conclusion of the hearing, the Board of Directors shall by resolution allow or overrule any objections and order the Fire Chief or his designee to abate some or all of the public nuisance conditions on any remaining parcels which have not been voluntarily cleared by that time. The costs for abatement shall be assessed against the property as a lien and special assessment.
- 4. At the conclusion of the July 8, 2020 hearing, a second and final notice shall be sent to each property owner prior to abatement. This notice will order the immediate abatement of nuisance conditions. This notice will clearly state that if nuisance conditions are ignored, the Fire District shall cause abatement and costs for removal will be assessed against the property as a lien and special assessment. It will also indicate that if the conditions are voluntarily abated, the property shall be removed from the process.
- 5. Sometime between August 17, 2020 and October 5, 2020, if the hazardous conditions are not removed prior to the arrival of the hazard abatement crew, the Kensington Fire Protection District shall cause the weeds, rubbish, refuse, and other flammable material to be removed and shall keep an account of the cost of abatement for each parcel or land where such work is performed.

Item 4.1

- 6. After October 5, 2020, the Fire Chief or his designee shall submit to the Board of Directors of the Fire District for confirmation an itemized written report showing the cost of abatement work performed. A copy of this report shall be posted for at least three days prior to its submission to the Board of Directors. Each property owner upon whose property abatement work was performed shall be sent written notice by mail of a hearing by the Board of Directors to consider the cost of abatement work performed on their property.
- 7. At the Board meeting on October 14, 2020 the Board of Directors of the Fire District shall receive and consider the written staff report on abatement actions taken by the District and shall hear any objections from the property owners liable to be assessed for the abatement. The Board of Directors may modify the staff report if deemed appropriate and then confirm the report by motion or resolution.
- 8. After Board of Directors confirmation of the report, a certified copy of the report shall be filed with the county auditor who shall add the amount of the assessment to the next regular tax bill levied against the parcel.

#### FINANCIAL CONSIDERATIONS

The abatement program will be administered by Fire Department staff with minimum costs expended for printing and mailing. Abatement work will be completed by private contract labor as appropriate. Program costs will be recovered through the special assessment and lien process.

#### LEGAL CONSIDERATIONS

The Fire District's Attorney has reviewed and approved the process.

The Fire Hazard Abatement Program is exempt from California Environmental Quality Act (CEQA) pursuant to sections 15304 and 15308 or the CEQA Guidelines. Therefore, no further CEQA review is required.

#### RECOMMENDATION

Staff recommends that the Kensington Fire Protection District authorize through the adoption of Resolution 20-09 the initiation of the abatement process by declaring weeds, rubbish, litter, and other flammable material on specific parcels of property within District boundaries as public nuisances, which must be abated.

RESOLUTION OF THE BOARD OF DIRECTORS OF THE KENSINGTON FIRE PROTECTION DISTRICT DECLARING THAT WEEDS, RUBBISH, LITTER OR OTHER FLAMMABLE MATERIAL ON DESIGNATED PRIVATE PROPERTIES CONSTITUTES A PUBLIC NUISANCE AND PROVIDING FOR NOTICE THAT THE FIRE CHIEF OR DESIGNEE SHALL ABATE SUCH PUBLIC NUISANCE CONDITIONS IF NOT ABATED BY THE PROPERTY OWNER.

WHEREAS, Health and Safety Code Sections 14875 <u>et seq</u> provides a method by which a local legislative body may abate on private property public nuisance conditions relating to weeds, rubbish, litter or other flammable material which creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous; and

WHEREAS, the Fire Marshal for the Kensington Fire Protection District has identified in Exhibit A to this resolution those private properties, by street name, lot and block number, on which the presence of weeds, as defined in Health and Safety Code Section 14875, constitute a public nuisance; and

WHEREAS, Health and Safety Code Sections 14890 through 14899 provide that notice shall be provided to each person to whom the properties identified in Exhibit A is assessed informing those persons that unless the property owner abates those nuisance conditions, that the Fire District shall abate the public nuisance. The notice shall further state that if the Fire District must abate the public nuisance, then the cost of abatement shall be assessed against the property as a special assessment. The notice shall also specify a date for a hearing at which property owners may present objections to the designation of their properties as public nuisances or to the proposed removal of the weeds by the Fire District; and

WHEREAS, Health and Safety Code Section 14900 provides that after the hearing, the local legislative body may, by motion or resolution, order the Fire Chief or designee to abate the public nuisance. After further proceedings, these abatement costs may be assessed against the property as a special assessment.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Kensington Fire Protection District that the properties listed in Exhibit A to this resolution are declared a public nuisance and such nuisance conditions shall be ordered abated because the presence of weeds, rubbish, litter or other flammable material on those properties create a fire hazard, a menace to the public health or are otherwise noxious or dangerous.

BE IT FURTHER RESOLVED that the notice shall state that a public hearing shall be held on October 14, 2020 at 7:00 p.m. during the Regular Meeting of the Board of Directors. At this hearing, the Board shall receive a written staff report on abatement actions and any objections shall be heard from the property owners identified in Exhibit A liable to be assessed for the abatement.

#### Dear Kensington Property Owner:

We are approaching the season of our highest fire danger when the grass, weeds, brush, other vegetation and can become highly flammable. To reduce the fire danger on private property, the Fire Department has begun its annual Fire Hazard Reduction Program. We have inspected your property and found that it <u>does not comply</u> with the Vegetation Management Guidelines set forth in the Kensington Fire Protection District Vegetation Management Standards. You are being contacted now so that you may remove those fire hazard conditions found on your property.

Please find the enclosed copy of the Fire Hazard Reduction Inspection form for the property listed above, the Kensington Vegetation Management Guidelines which explains the requirements within the Community and a Fire Hazard Reduction Checklist. Please read these enclosed documents carefully. Your property is required to be brought into compliance no later than June 15, 2020 as the Fire Department shall begin re-inspections for properties not found to be following the Vegetation Management Guidelines. There is no need to contact us to inform us that your property has been brought into compliance as we will re-inspect all non-compliant properties found prior to the date of this letter. Once your property has been brought into compliance and has received a re-inspection, we will send you a follow up letter to inform you that your property is currently in compliance with the Vegetation Management Guidelines.

On July 8, 2020 at 7:00PM the Kensington Fire Protection District Board of Directors will hold a public hearing to declare those properties not in compliance with the Vegetation Management Guidelines as a public nuisance. You are required to bring your property into compliance prior to the public hearing or risk your property being declared a public nuisance and subject to further abatement actions. In accordance with the Government Code, you may appear before the Board of Directors at the July 8, 2020 public hearing to dispute your property being declared a public nuisance.

We ask that you please take immediate action to remove those fire hazard conditions found on your property and we thank you for your cooperation helping us make Kensington a more fire safe community.

Sincerely,

David R. Gibson

David R. Gibson, Fire Marshal

## NOTICE TO DESTROY WEEDS AND REMOVE RUBBISH, REFUSE AND OTHER FLAMMABLE MATERIAL

On **July 8, 2020**, the Kensington Fire Protection District Board of Directors declared that your property in the Kensington community, designated above by address and parcel number, constitutes a public nuisance because of the presence of weeds, rubbish, litter or other flammable material which creates a fire hazard, a menace to the public health, or is otherwise noxious or dangerous.

A previous notice was sent to you informing you of the July 8, 2020 hearing and further informing you of your obligation to remove the weeds, rubbish, refuse and other flammable material from your property. If you do not immediately abate these nuisance conditions, the District will do so and the costs for removal of the weeds, rubbish, refuse and other flammable material will be assessed against your property as a lien and special assessment. These removal costs shall then be collected in the time and manner of ordinary municipal taxes.

You will not receive any further notices from the District prior to this removal. The District shall perform this removal either through its own staff or through private contract sometime between August 17, 2020 and October 5, 2020. It is impossible to predict what it will cost the District to remove these nuisance conditions from your property. The costs depend on the severity of those conditions. In past years these abatement costs have sometimes exceeded \$5,000 per parcel for those parcels with severe nuisance conditions.

The Kensington Fire Protection District Board of Directors will hold a public hearing on **October 14**, **2020 at 7:00 p.m.** At this hearing, the Board will receive the staff report and cost of abatement for your property. Objections to the abatement costs can be heard at this public hearing. Contact the Fire Department for the location of the meeting or go to the Kensington Fire Protection District website at <a href="https://www.kensingtonfire.org/meetings">https://www.kensingtonfire.org/meetings</a> for meeting information.

If you have any questions, contact the Fire Department at 10900 San Pablo Avenue, El Cerrito, CA 94530. The phone number is (510) 215-4457.

#### Dear Kensington Property Owner:

A letter dated May 27, 2020 was sent to Kensington Property Owners stating that the Fire Department had begun its annual Fire Hazard Reduction Program to eliminate fire hazards in the community and that we had initially found that your property did not comply with the Vegetation Management Guidelines set forth in the Kensington Fire Protection District Vegetation Management Standards. We requested that property be brought into compliance by June 15, 2020 as we would begin re-inspections in the community.

We are pleased to inform you that we have completed re-inspection of your property and your property was found to now be in compliance with the Vegetation Management Guidelines set forth in the Kensington Fire Protection District Vegetation Management Standards. We very much appreciate your efforts in taking immediate action to bring your property into compliance and we thank you for helping us make Kensington a more fire safe community. Your property **shall be removed** from our list of properties that will be sent to the Kensington Fire Protection District Board of Directors on July 8, 2020 and there will be no further abatement action based on the initial inspection. There is no need or requirement for you to attend the Kensington Fire Protection District Board of Directors Public Hearing on July 8, 2020 at 7:00PM regarding the May 27, 2020 letter.

We ask that you continue your fire hazard reduction efforts and maintain your property in compliance with the Vegetation Management Guidelines set forth in the Kensington Fire Protection District Vegetation Management Standards as we move further into the fire season. Again, your efforts are very much appreciated by the Fire Department, Kensington Fire Protection District Board of Directors and the Community of Kensington for your cooperation in helping us make Kensington a more fire safe community.

With Appreciation,

<u>Davíd R. Gíbson</u>

David R. Gibson, Fire Marshal

## **Kensington Fire Protection District Fire Hazard Reduction Guidelines**

#### Zone 1

Zone 1 extends 30 feet from buildings, structures, decks, etc.in <u>all portions within the community of Kensington</u> including the designated Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line.

- Remove all dead plants, grass and weeds (vegetation).
- Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening.
- Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter such as vines and loose papery bark.
- On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to  $1/3^{rd}$  of their height up to 6' above the ground, but in no case less than 18 inches from the ground.
- Relocate wood piles to Zone 2 if applicable.
- Remove or prune flammable plants and shrubs near windows.
- Remove vegetation and items that could catch fire from around and under decks.
- Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials.

#### Zone 2

Zone 2 extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in only those areas within the community of Kensington designated as the Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line. NOTES: (1) All Zone 1 requirements shall be followed in addition to the following Zone 2 requirements: (2) The vast majority of the entire community of Kensington is in the VHFHSZ.

- Cut or mow weeds and grass shall be cleared to a maximum height of 6 inches.
- All fire hazardous vegetation except for weeds and grass shall be cleared and maintained to a height no greater than 18 inches above the ground.

## **Fire Hazard Reduction Checklist**

## **Kensington Fire Protection District Fire Hazard Reduction Program**

#### I. INTRODUCTION

### A. Purpose of Vegetation Management Standards

California communities have experienced devastating fire loss because of the severity of fires which occur in the wildland interface areas. These areas exist in the community of Kensington. In these areas the risk of conflagration is increased further by homeowners who create or do not maintain landscaping on their properties. Homes are threatened by fire every year in California largely because of heavy vegetation fuel load very near structures.

Very High Fire Hazard Severity Zones (VHFHSZ) have been identified within the Kensington community by the Kensington Fire Protection District and CAL Fire. As specified by State Law AB 337, property owners within the VHFHSZ must take special precautions with their property, including vegetation management, to reduce the risk of fire. All Kensington property owners must comply with the District's Fire Hazard Reduction standards.

The buildup of unmanaged vegetation, whether native or non-native, steep hillsides with canyons, draws, and periods of extremely hot, dry weather all combine to create in Kensington the potential for catastrophic fire behavior. Catastrophic fires can destroy large numbers of homes, threaten public safety and severely damage the natural areas which contribute to our high quality of living.

A key goal of Kensington's community fire protection planning is to reduce the level of fire hazards throughout the community and particularly in the VHFHSZ. While it is not possible to eliminate all threats of catastrophic wildfire, fire hazards can be reduced to acceptable levels and still allow a "green" community.

Vegetation management planning in the VHFHS Zone focuses on areas where fire poses the greatest risk to life and property. Fires will continue to be a part of California urban living. By implementing vegetation management standards, Kensington residents can significantly reduce the potential a small fire will grow into a catastrophic event. An important component of reducing the community's fire risk requires vegetation management to be practiced by all property owners.

No person shall be prosecuted criminally under the provisions of Section 4 of the Kensington Fire Protection District Ordinance 95-1 until that person has received written notice of how that property violates these standards and until that person has had the reasonable opportunity to meet with District staff concerning the violation. Civil Enforcement of these guidelines as provided for in Section 5 of Ordinance 95-1, pursuant to California Health and Safety Code Section 14912 et. seq. Civil procedures for fire hazard abatement include providing the property owner with (1) written notice on how the property violates these guidelines, (2) reasonable opportunity to comply with the guidelines and (3) opportunity to be heard before the Board of Directors of the Kensington Fire Protection District.

### II. FIRE HAZARD REDUCTION GUIDELINES

Many factors combine to create a fire hazard on any specific property. It is difficult to single out a specific vegetation species or configuration to declare it either fire hazardous or completely fire safe in all situations. The Fire Department has developed guidelines conforming to State Law and National Fire Protection Standards which address most situations found on private property within Kensington.

#### A. Hazard Zones

A portion of the Kensington community lies adjacent or near to large wildland areas containing steep slopes and naturally growing vegetation. Every year under certain critical weather conditions, the neighborhoods near these wildland areas are at heightened risk of seasonal wildfire sweeping into the community and burning homes. These areas at heightened risk of wildfire have been designated as Very High Fire Hazard Severity (VHFHS) Zones as designated by CAL Fire. Fire hazard reduction measures common to the entire community are required on both vacant and developed lots.

#### Page 2

### B. <u>Defensible Space</u>

Defensible space is essential to improve your home's chance of surviving a wildfire. It is the buffer you create between a building on your property and the grass, trees, shrubs, or any wildland area that surround it. This space is needed to slow or stop the spread of wildfire and it helps protect your home from catching fire—either from direct flame contact or radiant heat. Defensible space is also important for the protection of the firefighters defending your home.

### Defensible Space Zones

Two zones make up the required 100 feet of defensible space.

#### Zone 1

Zone 1 extends 30 feet from buildings, structures, decks, etc.in <u>all portions within the community of Kensington</u> including the designated Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line.

- Remove all dead plants, grass and weeds (vegetation).
- Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening.
- Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter such as vines and loose papery bark.
- On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to 1/3<sup>rd</sup> of their height up to 6' above the ground, but in no case less than 18 inches from the ground.
- Relocate wood piles to Zone 2 if applicable.
- Remove or prune flammable plants and shrubs near windows.
- Remove vegetation and items that could catch fire from around and under decks.
- Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials.

#### Zone 2

Zone 2 extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in only those areas within Kensington designated as the Very High Fire Hazard Severity (VHFHS) Zones. Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line. NOTES: (1) All Zone 1 requirements shall be followed in addition to the following Zone 2 requirements. (2) The vast majority of the entire community of Kensington is in the VHFHSZ.

- Cut or mow weeds and grass shall be cleared to a maximum height of 6 inches.
- All fire hazardous vegetation <u>except for weeds and grass</u> shall be cleared and maintained to a height no greater than 18 inches above the ground.

### C. Additional Considerations for Vegetation Management

- 1. The Fire Hazard Abatement Program is intended to promote community fire safety by reducing the combustible vegetation fuel mass on private properties. Clearing vegetation by heavy construction methods, such as grading, discing, trenching or dozing shall require special permits from the County. **Disposal by burning is not permitted**.
- 2. Any parcel where slope stability will be threatened by removal of plants may be exempt from treatment requirements or subject to alternate treatments. The property owner must submit a report documenting the probability of slope failure due to vegetation removal, prepared by a licensed civil, geotechnical or soils engineer. The report shall propose alternative treatment methods to address fire hazards. The report will be reviewed by staff. Review and acceptance by the District of alternative treatment will supersede other requirements.
- 3. Any parcel or lot which includes plant or animal species that are rare, endangered or of special concern may qualify for alternative plant treatment and spacing requirements. The property owner must submit a report from a qualified resource biologist or landscape architect describing the species, actions required to preserve its environmental value, and proposed alternative measures to address fire hazards. The report will be reviewed by the District. Review and acceptance by the District of alternative treatment will supersede other requirements.

#### D. Planting Considerations

Any plant will burn if the conditions are right. Some plants are considered to be extremely flammable while other plants are considered to have some resistance to fire. Verifiable tests of fire exposure characteristics for all specific ornamental landscaping plants are not available.

The Vegetation Management Standards for the Kensington Fire Protection District utilizes available information from the Diablo Firesafe Council at <a href="http://diablofiresafe.org/tolerance.html">http://diablofiresafe.org/tolerance.html</a> under <a href="Table 1 Plants with a Favorable Fire performance Rating in 3 or More References">More References</a>.

At the base of trees and shrubs, replace flammable vegetation with bark, mulch, rock, gravel or low-growing or more fire-resistant ground covers. This cover reduces the fire danger and minimizes weeds.

Avoid placing medium-sized shrubs beneath trees or taller shrubs. By breaking up the available fuel mass in ornamental landscaping, a fire will be kept at lower intensity, flame lengths will be shorter and fire will be less likely to form a continuous line or front.

### E. Structural Fire Safety

The District's roofing and vegetation management standards are designed to reduce the amount of airborne burning material, limiting fire spread. Once a fire starts, it is often accelerated by wind-borne burning material.

Item 4.1

Page 4

Burning embers or brands are the main source of fire spread in mixed urban-wildland fires. The roof of a house is most vulnerable to this type of ignition followed by openings such as vents. Spark arresters with a maximum of ½ inch openings in the mesh are required over the outlet of every chimney. Class A is the top rating for fire resistive roofing, followed by Classes B and C. State and District Ordinance requires that all roofing be Class B or better, and wood shake shingle roofing materials are prohibited in new construction or replacement of more than 50% of the roof. It is recommended to cover vent openings with ¼ inch openings in the mesh to prevent flying embers from entering the structure.

#### III. GLOSSARY OF TERMS

The following terms are used to describe the vegetation management standards in California State Law and in the Kensington Fire Protection District's Fire Hazard Reduction Program.

**Very High Fire Hazard Severity (VHFHS) Zones**: Any geographic area designated per Government Code Section 51178 to contain the type and condition of vegetation, topography, weather and structure density to potentially increase the possibility of wildland conflagration fires. As a community adjacent to extensive wildland areas, the community of Kensington is made up on mostly VHFHS zones. A CAL Fire interactive map of these zones is available at <a href="https://egis.fire.ca.gov/FHSZ/">https://egis.fire.ca.gov/FHSZ/</a>. Fire hazard reduction standards are more extensive for properties located within VHFHS zones.

**Defensible Space**: A concept in landscape design for homes which provides a band of managed vegetation around a home that slows movement of fire by reducing or denying fuel and provides a space for firefighters to take a stand to protect the house.

**Fire Resistant Plants**: A relative term used to describe plants that are "more resistant: or "less resistant" than other plants to fire. Given enough heat, <u>all</u> vegetation will burn. Yet plants in fact differ in how fast they burn, how high a flame they produce and their ability to survive fire. Fire resistance is enhanced by higher amounts of moisture within twigs and foliage. Fire-resistant plants can lose this quality altogether if not property maintained and irrigated. The Vegetation Management Standards for Kensington utilizes available information from the Diablo Firesafe Council at <a href="http://diablofiresafe.org/tolerance.html">http://diablofiresafe.org/tolerance.html</a> under <a href="https://diablofiresafe.org/tolerance.html">Table 1 Plants with a Favorable Fire performance Rating in 3 or More References.</a>

**Fire Hazardous Vegetation**: Plants which can burn easily because they generate dry undergrowth, contain flammable oils or produce significant quantities of dead or dying material. Hazardous vegetation is fuel which must be removed or strictly maintained so as not to constitute a fire hazard by igniting easily and then contributing to rapid fire spread. Seasonally dry grass, weeds, brush, and unmaintained and unirrigated trees and ornamental vegetation are examples of fire hazardous vegetation. Properly chipped, mulched and disbursed material does not constitute fire hazardous vegetation. Fire hazardous vegetation is also known as **flammable vegetation and combustible growth**.

**Ornamental Landscaping**: Decorative plants growing within a tended garden or yard which are appropriately irrigated, maintained and located to provide aesthetic decoration and functional utility, such as privacy screening, shade, weed suppression and erosion control. The use of fire-resistant plants and the removal of fire hazardous vegetation will enhance fire safety.

**Zone 1:** Extends 30 feet from buildings, structures, decks, etc.in <u>all portions within the community of Kensington</u> including the designated Very High Fire Hazard Severity (VHFHS) Zones. In Zone 1 vacant lots shall be maintained to be 10 feet wide along the property line.

**Zone 2:** Extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in those areas within the community of Kensington designated as the Very High Fire Hazard Severity (VHFHS) Zones. In Zone 2 vacant lots shall be maintained to be 30 feet wide along the property line. For properties within Zone 2, all Zone 1 requirements shall be enforced in addition to Zone 2 requirements.

## **Fire Hazard Reduction Checklist**

## **Zone 1 Requirements**

| community of Kensington including the designated Very High Fire Hazard Severity (VHFHS) Zones   |
|---|
| Remove all dead plants, grass and weeds within 30 feet of buildings, structures, decks, etc.  |
| Remove dead or dry leaves and pine needles from your yard, roof and rain gutters  |
| Trees shall be maintained so that no portion is closer than 10 feet from any chimney opening  |
| Trees, shrubs, bushes or other vegetation adjacent to or overhanging any structure shall be maintained free of dead limbs and other combustible matter such as vines and loose papery bark  |
| On mature trees, limbs should be removed up to 10' above the ground. Smaller trees should be limbed to $1/3^{rd}$ of their height up to 6' above the ground, but in no case less than 18" from the ground   |
| Relocate wood piles to Zone 2 if applicable   |
| Remove or prune flammable plants and shrubs near windows  |
| Remove vegetation and items that could catch fire from around and under decks   |
| Create a minimum 6-foot separation between trees, shrubs or vegetation and combustible materials  |
| ☐ Vacant lots in Zone 1 shall be maintained to be 10 feet wide along the property line  |
| Zone 2 Requirements   |
| <b>Definition:</b> Zone 2 extends from 30 feet to 100 feet out from buildings, structures, decks, etc. in those areas within the community of Kensington designated as the Very High Fire Hazard Severity (VHFHS) Zones. NOTE: All Zone 1 requirements shall be followed in addition to the following Zone 2 requirements |
| Cut or mow weeds and grass shall be cleared to a maximum height of 6 inches   |
| All fire hazardous vegetation except for weeds and grass shall be cleared and maintained to a height no greater than 18 inches above the ground   |
| ☐ Vacant lots in Zone 2 shall be maintained to be 30 feet wide along the property line  |

To find out if your property is located within the Very High Fire Hazard Severity Zone, go to  $\underline{\text{https://egis.fire.ca.gov/FHSZ/}}$  On the upper left hand side, click on the bottom icon for Address Search.

| Other:   |                                  |
| Please explain your experience AND current efforts in your areas of interest | est :                            |
|  |                                  |

I am a research and consulting geologist (unlicensed) specializing in earthquake geology, seismic hazard studies and assessment. I'm currently working as a visiting assistant project scientist at UCLA's Garrick Institute for Risk to help compile a new fault displacement database used for probabilistic fault hazard studies. I also work with Earth Consultants International doing fault and landslide hazard evaluations on a project basis.

If named to the Committee, what would be your goals and objectives for your first year?

- 1) Help create/give input towards response/evacuation plans for different hazards (EQ, fire, landslides, etc.)
- 2) Promote installing an emergency siren and/or fire camera in our community
- 3) Push for better cell coverage in Kensington to aid in receipt of emergency notifications
- 4) Use my GIS knowledge to create helpful materials, assessments and maps for Kensington residents
- 5) Use my earthquake geology background to inform the committee about what to expect in an earthquake on the Hayward fault, e.g., shaking, localization of surface rupture, shaking-induced landsliding, etc.
- 6) Re-energize my block CERT representatives and learn more about the program
- 7) Share my current household methods and strategies for emergency preparedness and evacuation and explore new ones to possibly implement at home and in the community (Pulsepoint, AC Alert/CC Alert, EQ prep supplies, etc.)

Thanks for your interest. Applications will be considered on a rolling basis. Committee size is limited.

Please email your application to fire@kensingtonfire.org.

**TO:** Board of Directors

Kensington Fire Protection District

**DATE:** July 8, 2020

RE: PROPOSED AMENDMENTS TO POLICY 130 PAY PERIODS SECOND

**READING AND APPROVAL** 

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

## **Recommended Action**

Staff recommends holding the second reading and adopting Resolution 20-10 amending Policy 130 - Pay Periods.

## **Background**

District policies do not currently contain language for review of staff and the General Manager's timesheets. To support internal controls and incorporate timesheet approvals Policy 130 - Pay Periods contains proposed amendments recommended by staff, reviewed by legal counsel and the Finance Committee. The first reading was held at the Regular Meeting of the Board of Directors on June 10, 2020.

This item is now placed on the agenda to hold the second reading and request final approval.

### Fiscal Impact

There is no fiscal impact.

Policy 130 Amendment (clean)

Resolution 20-10

# KENSINGTON FIRE PROTECTION DISTRICT EMPLOYEE HANDBOOK

**POLICY TITLE:** Pay Periods and Time Sheets

POLICY NUMBER: 130

130.10 The salaries and wages of all District employees shall be paid bi-monthly, being seven business days after the 15th day and seven business days after the last day of every month. Pay periods are 1st-15th and 16th-31st.

130.20 Unless otherwise specified through individual employment agreements, all employees must complete timesheets bi-monthly. Timesheets must be completed and submitted on or before the last day of the pay period. Late submittal may delay payment of wages. All timesheets, except that of the General Manager shall be reviewed and approved by the General Manager prior to payroll processing. General Manager timesheets shall be submitted for payroll processing and to the Finance Committee for review. Any issues arising out of the General Manager's timesheets may be referred by the Finance Committee to the Board of Directors.

## KENSINGTON-FIRE PROTECTION DISTRICT EMPLOYEE- HANDBOOK

POLICY TITLE: Pay Periods and Time Sheets and Time Reporting/Approval

POLICY NUMBER: 130

130.10 The salaries and wages of all District employees shall be paid <u>semibi</u>-monthly, being <u>two-seven</u> business days after the 15th day and <u>two-seven</u> business days after the last day of every month. Pay periods are 1st-15th and 16th - 31st.

130.20 Unless otherwise specified through individual employment agreements, all employees must complete timesheets bi-monthly. Timesheets must be completed and submitted on or before the last day of the pay period. Late submittal may delay payment of wages. All Ttimesheets, for support staffexcept that of the General Manager willshall be approvedreviewed and approved by the General Manager prior to payroll processing. General Manager timesheets shall be submitted for payroll processing and to the Finance Committee for review. Any issues arising out of the General Manager's timesheets may be referred by the Finance Committee to the Board of Directors. For internal control purposes, the General Manager's timesheet will be approved by the Finance Committee which may be prior to or after payroll processing depending upon meeting schedule. Performance and/or productivity of the General Manager will be assessed by the full-Board of Directors through a variety of reporting.

#### **RESOLUTION 20-10**

## A RESOLUTION OF THE BOARD OF DIRECTORS OF THE KENSINGTON FIRE PROTECTION DISTRICT AMENDING POLICY 130 PAY PERIODS

**WHEREAS**, the Board of Directors ("Board") of the Kensington Fire Protection District ("District") has established the Employee Handbook ("Handbook") which sets employee policies; and

**WHEREAS**, the Board desires to incorporate internal controls pertaining to employee time reporting and approval by amending the Handbook; and

**WHEREAS**, the Board held a first reading of a proposed amendment to Section 130 Pay Periods of the District Handbook on June 10, 2020; and

**WHEREAS**, the Board now desires to hold a second reading and adopt an amendment to Section 130 as it pertains to employee time reporting and approval;

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Directors of the Kensington Fire Protection District hereby amends Policy 130 of Kensington Fire Protection District Employee Handbook as follows (additions in underline, deletions in strikethrough):

130.10 The salaries and wages of all District employees shall be paid <u>semibi</u>-monthly, being <u>two seven</u> business days after the 15th day and <u>two seven</u> business days after the last day of every month. Pay periods are 1st-15th and 16th – 31st.

130.20 Unless otherwise specified through individual employment agreements, all employees must complete timesheets bi-monthly. Timesheets must be completed and submitted on or before the last day of the pay period. Late submittal may delay payment of wages. All timesheets, except that of the General Manager shall be reviewed and approved by the General Manager prior to payroll processing. General Manager timesheets shall be submitted for payroll processing and to the Finance Committee for review. Any issues arising out of the General Manager's timesheets may be referred by the Finance Committee to the Board of Directors.

\* \* \* \* \* \* \* \* \* \* \* \*

The foregoing resolution was duly adopted at a regular meeting of the Kensington Fire Protection District on the 8<sup>th</sup> day of July 2020 by the following vote of the Board.

**DATE:** July 8,2020

RE: PROPOSED AMENDMENT TO POLICY 1150 BUDGET PREPARATION

AND REVIEW (FIRST READING)

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

#### **Recommended Action**

Staff recommends approval of proposed amendments to *Policy 1150 Budget Preparation and Review* and hold the first reading.

## **Background**

As the District began development of the annual budget, staff identified a need for additional clarity within *Policy 1150 Budget Preparation and Review*. Proposed amendments to the policy are intended to bring the policy into compliance with the Health and Safety Code, allow budget continuation in the event a new budget is not adopted, state the level of budget control as well as methods of monitoring, and add consistency in terminology. Legal counsel has reviewed and provided assistance with those revisions.

Amendments to 1150.30 and 1150.40 allow flexibility in timing of preliminary budget and final budget adoption adding "no later than" in both. In accordance with the Code this inclusion would allow the Board to adopt the final budget in June without the need for an additional adoption in September if the Board so desired.

On May 22, 2020 an initial draft of the amendments were reviewed with the Finance Committee and additional updates do not change the substance of that review, they simply clarify further and include the language referenced in the preceding paragraph.

#### Fiscal Impact

There is no fiscal impact.

Attachments: Policy 1150 Budget Preparation and Review (redline and clean)

## KENSINGTON FIRE PROTECTION DISTRICT POLICY HANDBOOK

POLICY TITLE: Budget Preparation and Review

POLICY NUMBER: 1150

**1150.10** On an annual basis, the General Manager shall draft a proposed annual budget. Such proposed annual budget shall be balanced.

**1150.20** Prior to review by the Board of Directors, the General Manager shall present the proposed annual budget to the Board's Finance Committee for review and amendment.

**1150.30** The General Manager shall present the proposed preliminary annual budget, as reviewed and amended by the Finance Committee, to the Board for review and amendment no later than the Board's regular meeting in June, or as otherwise scheduled by resolution of the Board.

**1150.40** The proposed final annual budget, as reviewed and amended by the Board, shall be adopted no later than the Board's regular meeting in September, or as otherwise scheduled by resolution of the Board.

**1150.50** In the event an annual budget is not adopted prior to the start of the fiscal year, the budget last approved by the Board shall remain in effect until such annual budget is adopted.

**1150.60** Budget control is maintained at the operational level. The General Manager is authorized to transfer budgeted amounts so long as District expenditures remain within the adopted budget, or as amended by the Board. Budget modifications that increase or decrease the overall annual budget must be approved by the Board.

1150.60 The Board shall review budget performance on a semi-annual basis.

**1150.70** The General Manager shall develop administrative procedures that are consistent with the Board's policies, and devise and maintain systems of budgetary control. Such controls may include, but are not limited to:

- 1. Monthly financial reports to the Board of Directors.
- 2. Evaluation and reporting of budget variances.
- 3. Budget amendments for Board approval, as required.

# KENSINGTON FIRE PROTECTION DISTRICT POLICY HANDBOOK

POLICY TITLE: Budget Preparation and Review

POLICY NUMBER: 1150

1150.10 On an annual basis, An annual the General Manager shall draft a proposed annual budget-proposal shall be drafted by the Manager. Such proposed annual The-budget will shall be balanced.

**1150.20** Prior to review by the Board of Directors, the General Manager shall present the proposed annual budget to the Board's Finance Committee for review and amendment. shall meet with the Manager and review his/her annual budget proposal.

1150.30 The General Manager shall present the proposed preliminary annual budget-, as reviewed and amended by the Finance Committee, shall be to the reviewed by the Board for review and amendment no later than at its the Board's regular meeting in June, or as otherwise scheduled by resolution of the Board. The legal level of budgetary control is at the operating level; District expenditures will be within the total approved and/or adopted budget unless amended.

**1150.40** The proposed <u>final</u> annual budget, as <u>reviewed and</u> amended by the Board, <u>during its review</u> shall be adopted <u>no later than at its the Board's</u> regular meeting in September, <u>or as otherwise scheduled by resolution of the Board</u>.

1150.50 In the event an annual budget is not adopted prior to the start of the fiscal year, the budget last approved by the Board shall remain in effect until such annual budget is adopted.

**1150.60** Budget control is maintained at the operational level. The General Manager is authorized to transfer budgeted amounts so long as District expenditures remain within the adopted budget, or as amended by the Board. Budget modifications that increase or decrease the overall annual budget must be approved by the Board.

1150.650 The Board of Directors shall review budget performance on a semi-annual basisty.

1150.760 The General Manager willshall develop administrative procedures that are consistent with the Board's policies, and devise and maintain systems of budgetary control. Such controls may, includeing, but are not limited to:

- 1. Monthly financial reports to the Board of Directors.
- 2. Evaluation and reporting of budget variances.
- 3. Budget amendments for Board approval, as required.

RE: FINAL PAYMENT FOR FIRE APPARATUS, PURCHASE APPROVED IN

SEPTEMBER 2018

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

# **Recommended Action**

Staff recommends approval of the final payment for the fire apparatus in the amount of \$360,000.

# **Background**

In September 2018 the Board of Directors adopted Resolution 18-08 Authorizing Purchase of a 1,500 gpm Type III Fire Apparatus with a Pre-Purchase of the Cab and Chassis from Hi-Tech Emergency Vehicle Services. After delays created by COVID-19 along with tariff wars last year delivery is finally expected by the end of July or first week of August.

#### Fiscal Impact

Funds for this payment are contained within the capital replacement funds.

RE: SALE OR SURPLUS OF REPLACED FIRE APPARATUS

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

#### **Recommended Action**

Staff recommends the Board authorize staff to sell or surplus the replaced fire apparatus.

# **Background**

With pending delivery of the fire apparatus, the old apparatus will be ready to sell or surplus. Staff will seek the most cost-effective option.

# Fiscal Impact

Funds received from sale or surplus will be deposited into the capital replacement fund.

RE: Public Safety Building County Evaluation Estimated Cost

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

## **Recommended Action**

Staff recommends approval of RDC Architecture's estimated cost for County evaluation of the Public Safety Building Renovation.

# **Background**

At the Special Meeting of the Board of Directors held on June 3, 2020, the Board authorized the Interim General Manager to seek County evaluation of the Public Safety Building Renovation Option B. KFPD is working with RossDrulisCusenbery Architecture on this effort in coordination with KPPCSD.

At the June 10, 2020 Regular Meeting of the Board of Directors, the Board authorized the Interim General Manager to devise cost-sharing arrangements with KPPCSD for the potential renovation and report back to the Board. KFPD has established an agreement with RDC via Extra Service Request (ESR007) approved by the Board of Directors on May 27, 2020 and understands RDC is in the process of establishing a similar agreement with KPPCSD.

RDC has now provided an estimate of the County evaluation in the amount of \$27,426 which will be shared 50/50 between KFPD and KPPCSD. While RDC is working on approval of the RDC agreement in order to proceed with the County, the KFPD Board authorized the Interim General Manager to pay all costs and invoice KPPCSD for 50% if that agreement is not approved in early July in order to avoid a project delay. RDC plans to set up meetings with the County in the near future and will keep KFPD apprised on the status of their agreement with KPPCSD.

#### Fiscal Impact

Capital project reserves contain funds for this effort.

## **EXCLUSIONS:**

- 1 Cost estimating
- 2 Engineering services beyond the limited structural engineering scope of work described in this ESR
- 3 Detailed site survey or as-built drawings
- 4 Geotechnical analysis and report.
- 5 Seismic analysis
- 6 Meetings beyond those described above.
- 7 Public presentations.
- 8 Reproduction costs of documents.

Fire Chief Lewis Broschard Contra Cost County Fire Protection District 4005 port Chicago Highway, Suite 250 Concord, CA 94520-1180

Alert Wildfire Dr. Graham M. Kent, Nevada Seismological Laboratory 1664 N. Virginia St. University of Nevada Reno, Nevada 89557

#### Chief Broschard, Dr. Kent:

Kensington Fire Protection District (KFPD) is the primary agency responsible for the protection of Kensington from fire, particularly wildfires emanating from the heavily vegetated Wildcat Canyon immediately to our east. We are heartened that Alert Wildfire has added a second camera on Vollmer Peak to allow more detailed monitoring of the East Bay parklands. Thank you for listening to our concerns and suggestions in this regard.

We understand that the focus area of each camera can be controlled by CCCFPD and CalFire. We are asking for your support in making sure that the new fire camera installed on Vollmer Peak (<a href="http://www.alertwildfire.org/southeastbay/index.html?camera=Axis-Vollmer">http://www.alertwildfire.org/southeastbay/index.html?camera=Axis-Vollmer</a>) monitors Wildcat Canyon during Diablo wind events. The Canyon has large stands of highly flammable eucalyptus which will burn extremely hot and send embers many miles during Diablo wind conditions. Of particular concern would be a fire started by an arsonist in Wildcat Canyon late in the night during a Diablo wind event or by a discarded cigarette or park picnickers carelessly leaving hot coals behind.

To have any realistic hope of containing a fire emanating from the Canyon during a Diablo wind event, firefighters would need to be mobilized within minutes of ignition. In addition, evacuations from the Berkeley Hills would need to start immediately because the narrow, congested streets will greatly impede traffic. Recent, informal surveys of Wildcat Canyon by experts from ALERTWildfire and by U. of California Agriculture Extension indicated it would only take about 15 minutes for a fire starting at Wildcat creek to begin engulfing parts of eastern Kensington, El Cerrito, and Berkeley during a Diablo wind event. Once a firestorm enters these densely populated residential areas it could easily jump from house to house given the small distances between homes.

In short, it is critical that firefighters and those in charge of evacuation get the earliest possible notification of a fire in Wildcat or Tilden during a Diablo wind event. The cameras on Vollmer could provide that advanced notice. With this in mind, we request that you work with the appropriate authorities to ensure that one of the two Vollmer ALERTWildfire cameras monitor Wildcat Canyon during strong Diablo winds. If this is done, the KFPD is willing to organize a neighborhood watch to help monitor the Canyon during these high risk events. Citizen involvement of this

nature has been successfully implemented in Orange County and we look forward to working with you on how best to set up such a program here.

Sincerely,

Julie Stein, President Kensington Fire Protection Board

**RE:** Presentation by ZoneHaven on Proposed Evacuation Tool

Subscription Service

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

#### **Recommended Action**

Receive presentation by ZoneHaven and consider whether to approve an annual evacuation tool subscription.

# **Background**

In 2019 the Board of Directors approved the Polygon Project for road network data collection and zone mapping; \$5,000 was paid to ZoneHaven on that project. KFPD received a request from Joe Grupalo, Battalion Chief, to consider a ZoneHaven Evacuation Tool subscription. Several Counties have entered into an agreement for this: San Mateo (<a href="https://youtu.be/P3pXJ9NKEfc">https://youtu.be/P3pXJ9NKEfc</a>) and Santa Clara, others are considering.

In order to provide the Board of Directors with information on the subscription benefit(s) and cost as well as the opportunity to ask questions, ZoneHaven will provide a presentation.

# Fiscal Impact

While Contra Costa County has been awarded grant funding for cities and towns in the County there is no information on availability or guarantee of funds for Kensington; this information may not be known until 2021. This annual subscription is not currently budgeted.

**RE:** Public Safety Building Renovation Update

SUBMITTED BY: Mary A. Morris-Mayorga, Interim General Manager

#### **Recommended Action**

For information only; no action requested at this time.

# **Background**

Over the last several months there has been a variety of activity on the Public Safety Building potential renovation:

May 27, 2020 Board of Directors Special Meeting; KFPD established an agreement

with RDC Architecture via Extra Service Request (ESR007) to provide a

**Board Workshop** 

June 3, 2020 Board of Directors Special Meeting; RDC presented on the Public

Safety Building Renovation; Board of Directors authorized the Interim General Manager to request RDC seek County evaluation of the Public

Safety Building Renovation Option B

June 10, 2020 Regular Meeting of the Board of Directors; Board of Directors

authorized the Interim General Manager to devise cost-sharing arrangements with KPPCSD for the potential renovation and report

back to the Board.

June 26, 2020 Board of Directors Special Meeting: Board of Directors authorized the

Interim General Manager to pay all costs associated with the County evaluation and invoice KPPCSD for 50% if needed to continue project.

July 8, 2020 Board of Directors Regular Meeting; Interim General Manager seeking

Board approval of the County evaluation cost estimate of \$27,146 (50/50 cost allocation to KFPD/KPPCSD) and provided project update.

RDC is currently working with KPPCSD on approval of their agreement, and is in the process of setting up meetings with the County. While the outcome of the County

Regular Meeting of the Board of Directors July 8, 2020 Public Safety Building Renovation Update

evaluation impacts the future of the project, the Interim General Managers for both KFPD and KPPCSD began (and will continue) discussing the following potential road map for the remainder of the project which will include, but not be limited to:

- 1. Design Feasibility
- 2. Defining and establishing the parameters for the KPPCSD decision point committing to occupancy of space in the renovated building.
- 3. Cost Estimates/Allocation (final cost depends upon bidding timing/climate/number of bidders, change orders
- 4. Financing
- 5. Temporary Space
- 6. Future Lease
- 7. Project Management

# Fiscal Impact

There is no fiscal impact.

# Kensington Fire Protection District Action Plan for the Interim General Manager Status as of July 8, 2020

| Goals  | %<br>Complete  | Status/Milestones   | Next Steps/Comments   |
|--|----------------|---|---|
| <ol> <li>Effect a complete, orderly, and prompt transition of services performed by the District's current administrative support contractor, including, but not limited to: conducting exit interviews, as needed, and ensuring the timely delivery from contractor of all District property and records.</li> </ol>  | 100%           | <ul> <li>KFPD resumed: agenda, web posting, noticing, administrative roles</li> <li>RGS continuing finance, minutes until end of engagement</li> <li>Collected District property/records</li> <li>Received desk manual/procedures</li> </ul>          |   |
| <ol> <li>Develop effective working relationships with the El Cerrito City<br/>Manager and Fire Chief, the General Manager and administrative<br/>staff of the Kensington Police Protection and Community Services<br/>District (KPPCSD), Supervisor Gioia, and County administrative<br/>staff as needed.</li> </ol>   | 40%<br>ongoing | <ul> <li>Introductory and additional conversations with Bill Lyndsey/KPPCSD</li> <li>Meet w/Fire Chief re: fee proposal</li> <li>County Department interactions</li> </ul>  | Continue outreach/familiarization   |
| 3. Prepare the budget for the FY 2020-21 Fiscal Year for the June 2020 board meeting, to include: analyzing the District's historic practices in developing annual budget; providing budget guideline policy recommendations; drafting a procedure for initiating annual budget development; liaising with the El Cerrito Fire Chief on the fire services fee proposal; and convening the Finance Committee. | 95%            | <ul> <li>Budget Guiding Principles</li> <li>Budget Development Manual</li> <li>Draft budget/narrative</li> <li>Finance Committee presentation</li> <li>Budget document printed/posted</li> <li>Board presentation/approval</li> </ul>                 | Final budget adoption 9/2020  |
| 4. Oversee, coordinate, and administer all activities related to a potential renovation of the Public Safety Building, including, but not limited to: negotiating a short-term renewal of the current lease to KPPCSD; negotiating cost-sharing agreements with KPPCSD for a potential renovation; and establishing temporary facilities for the fire department and District administration.                | 40%            | <ul> <li>Lease-worked w/Legal, to KPPCSD, KPPCSD approved</li> <li>Reviewed project history</li> <li>Cost allocations w/Finance Comm and assigned for evaluation</li> <li>Special Meeting June 3, 2020</li> <li>Discussions w/Bill Lyndsey</li> </ul> | <ul> <li>Executive Summary of project<br/>evaluation process/actions</li> <li>Required information gaps</li> <li>Decision matrix for project<br/>components/pros/cons</li> <li>Additional meetings</li> </ul> |
| 5. Analyze District needs for payments of bills and claims, including, but not limited to: drafting and implementing updates as needed to internal procedures for managing and making payments; internal controls; and procedures for purchasing and credit card usage.  | 40%            | <ul> <li>Purchasing Procedure outline</li> <li>Evaluating electronic payment options</li> <li>Accounting services agreement</li> <li>Policy 130 amendment</li> </ul>  | <ul> <li>Policy 1150 amendment</li> <li>Purchasing Procedure final</li> <li>Evaluate and implement workflow</li> </ul>  |

# Kensington Fire Protection District Action Plan for the Interim General Manager Status as of July 8, 2020

| Goals   | %<br>Complete     | Status/Milestones Next Steps/Comments  |      |
|---|-------------------|--|------|
| 6. Serve as the primary administrative contact to the City of El Cerrito in matters of oversight, management, and compliance f the fire services contract between the District and El Cerrito.  | 20%<br>or ongoing | <ul> <li>Fire svc fee w/Finance Committee</li> <li>Review agreement/history</li> <li>Develop contacts</li> <li>Review contract for compliance</li> </ul>   | ce   |
| 7. Serve as the primary administrative contact to the District's information technology (IT) service provider to ensure the completion of all current and recommended IT and office infrastructure projects.  | 40%<br>ongoing    | <ul> <li>Discussion with Nerd Crossing</li> <li>Email migration project closeout</li> <li>Business Needs Assessment</li> <li>IT Master Plan</li> <li>Propose to Board of Directors</li> </ul>  |      |
| 8. Analyze District participation and needs regarding the District's California Employers' Retiree Benefit Trust (CERBT) Fund.  Prepare and implement a procedure for administration of legachealth benefits payments.  | 50%               | <ul> <li>OPEB Actuary Proposals</li> <li>Complete CalPERS documents</li> <li>Request 2019-2020 Disbursement</li> <li>Select/recommend actuary</li> <li>OPEB Actuarial Valuation</li> </ul>   |      |
| <ol> <li>Assess and make recommendations on cost-saving opportuniti<br/>and the possible outsourcing of some District administrative<br/>functions or employment of additional staff or consultants as<br/>necessary.</li> </ol>  | es 60%            | <ul> <li>Data gathering</li> <li>Conceptual plan in progress</li> <li>Student Intern, Admin Assistant, Accounting services</li> <li>Complete evaluation</li> <li>Developing staffing/service p</li> <li>Propose to Board of Directors</li> </ul> |      |
| 10. Develop a Long-Term Financial Plan which ensures sustainabili for providing District services, including but not limited to: drafting a long-term plan policy; forecasting revenue and expenditures, using relevant inflation factors or other informati incorporating known or foreseeable changes in District operations; and presenting plan to the Finance Committee ther Board of Directors for approval.                | on;               | <ul> <li>Policy in progress</li> <li>Initial plan reviewed w/Finance</li> <li>Committee</li> <li>Finalize ten-year plan</li> <li>Complete proposed policy</li> <li>Develop procedure for update</li> </ul>                                       | es   |
| 11. Establish a Records Management Policy and Records Retention Schedule in accordance with the California Public Records Act (PRA), Government Code Section 12236 and recommended practices, including but not limited to: drafting a records management policy; developing a records retention schedule encompassing District records (specifically and/or by category) and providing public with the process for PRA requests. |                   | <ul> <li>Begin list of District records</li> <li>PRA Request Templates</li> <li>List of records by category</li> </ul>   | ents |

**DATE:** July 1, 2020

**TO:** Kensington Fire Protection District Board Members

**FROM:** Michael Pigoni: Fire Chief

**RE:** Fire Chief's Report for July 2020 Fire District Board Meeting

# **Run Reports**

There were 32 calls for service that occurred during the month of June in the community of Kensington which is 1 more than the previous month. During this same time, Engine 165 responded to a total of 50 calls in all the El Cerrito/Kensington districts which is an increase of 6 incidents over the number of calls from last month. This increase was primarily due to the reports of smoke and mutual aid calls for possible vegetation fires in the park. The "Incident Log" included in the Board packets will provided more details on the dates, times, locations, and incident types for these calls.

# **Edgecroft Rescue**

On June 26<sup>th</sup> at approximately 6:30 pm, Engine 165 was dispatched to a medical emergency for a person that had fallen in a creek below 67 Edgecroft Road. Upon arrival, the crew located a person approximately 300' down the hillside between Kensington and Berkeley that had fallen off a small cliff onto the rocks in the creek bed. The access was extremely steep and the lighting was diminishing fast in the creek. E165's Captain requested additional engines to assist with a long-haul rope rescue as well as a helicopter to possibly perform a long-line rescue from above the tree line. Berkeley was also requested to respond to check for access off San Antonio Avenue in Berkeley (other side of the creek). With a collaborative effort with Kensington Police Department, Engine 171, 172 and 165, a rope system was set up and the patient was treated, placed in a stokes rescue basket and brought back up to Edgecroft Road. Due to weather conditions, air transport was not possible and the patient was transported via ground ambulance to Highland Hospital in Oakland. (See pictures at the end of this report)

# **Vegetation Management**

As reported out last month, the first round of vegetation inspections was completed with approximately 90 parcels being cited and notified by mail with a copy of the Kensington Vegetation Management Standard. Second round inspections found the 37 parcels had fail to comply to the notice and are being brought forward for the Board to approve the fire hazard abatement of this property.

## **Corona Virus Update**

The Corona Virus or COVID-19 pandemic continues to present challenges for the Fire Department. We continue to practice all the County recommended and mandated protocols as well as we have started morning health screening for all our personnel in which when they arrive at work and every morning while on duty they monitor their temperature as well as complete a health screening questionnaire.

# **Emergency Water Container Program**

The Lamorinda CERT group hosted another emergency water container drive at the beginning of June which was offered to residents of Kensington and El Cerrito. This was the third drive for these containers and it has

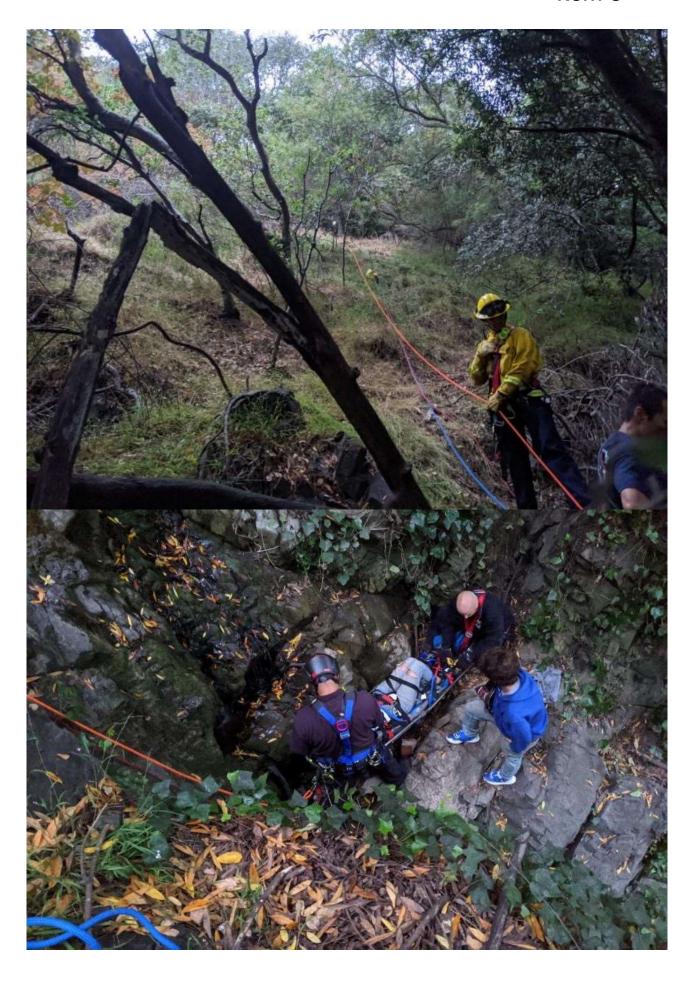

been a great success with 2,400 5 gallon containers, 66 15 gallon barrels and 109 55 gallon barrels being purchased in Kensington and El Cerrito. In addition all the Fire Stations have two 55-gallon drums filled, sanitized, sealed and stored in case of an emergency.

# Register with the Contra Costa County Community Warning System

It cannot be stressed enough the importance to take a moment to register cell phones with the Contra Costa County Community Warning System (CWS). CWS will alert you when life-threatening incidents, like wildfire or power shutdowns, occur. www.cwsalerts.com

# Item 8

#### **KENSINGTON FIRE PROTECTION DISTRICT**

# **Emergency Preparedness Committee Meeting**

# Agenda Thursday, May 28, 2020 3:00 - 5:00pm

#### Via Zoom Teleconference

This meeting will be conducted exclusively in remote access format in compliance with Executive Order N-29-20 issued by Governor Newsom and the Contra Costa County Shelter-in-Place Order.

- 4. Updates on Activities and Items of Interest from Committee Members
- 5. Discussion Items
  - 5.1. Resignation and applications
  - 5.2. Traffic Evacuation Report: Review of Webinar; Proposed recommendations for Board action (supplementary material) (ACTION)
  - 5.3. Sirens
  - 5.4. Joint Powers Authority, an East Bay Wildfire Prevention Vegetation Management Agency
  - 5.5. Plans for KFPD vegetation inspections and prior year compliance rate
  - 5.6. Possibility of engaging a chipper
  - 5.7. Disposition of Fire Danger Sign acquired for the KFPD
- 6. Future Agenda Items and scheduling next meeting
- 7. Adjournment

#### KENSINGTON FIRE PROTECTION DISTRICT

#### EMERGENCY PREPAREDNESS COMMITTEE MINUTES

Date of Meeting: May 28, 2020 Time of Meeting: 3:00 PM

Place of Meeting: Zoom https://zoom.us/j/99101037006

Committee Members: Kevin Padian, Peter Guerrero

Lisa Caronna, Katie Gluck, Peter Liddell, Paul Moss, David Spath

(Absent: Larry Nagel)

Public: Danielle Madugo, Officer Brad Harms KPD

1. Call to Order – Kevin Padian called the meeting to order at 3:15 PM.

- 2. Public Comment None
- 3. Approval of EPC Meeting Minutes (ACTION) Minutes from the meeting were approved unanimously with minor corrections.
- 4. Updates from committee members it was determined that all EPC members have taken the required Ethics training, but none (apart from Larry and Kevin) have been sent the 700 forms link by the County. IGM Mary Morris-Mayorga will follow up.
- 5. Discussion Items
  - 5.1 Cortis Cooper's resignation from the committee was accepted with regret. Danielle Madugo's application was accepted unanimously with enthusiasm to be recommended to the Board President. (ACTION)
  - 5.2 Ofc. Brad Harms (KPD) joined us for a discussion of the recommendations that issued from the Traffic Evacuation Study and his progress on addressing them:
  - (a) The owners of Sunset Cemetery are on board with our request to use their roads through the Sunset/Franciscan gate as an emergency route, thereby offloading an estimated 30% of traffic heading west from that region. They will cooperate with our request to install more exit signs and offered \$500 to help with the project. They have four people, at least one of which is always present, who are now signed up for the CCC CWS. They have provided the KPD keys to the Sunset Gate and the two exit roads. Discussion will be needed about whether local residents can assist. Policing of the area during an emergency will be complicated.

The potential danger of the Arlington/Sunset intersection was discussed, because drivers heading north and turning left on Sunset have to cross and even briefly occupy a southbound lane before reaching Sunset. (This is more a

problem for non-residents.) A traffic light might be useful, but it is expensive and may not be practical in an emergency. In an evacuation, this intersection and the Arlington/Amherst intersection are the two greatest priorities for officers on duty to direct traffic.

- (b) Ofc. Harms is drawing up a list of priorities for what the KPD officers on duty will do in case of emergency. His goal is to train local residents at two levels of authority to assist with traffic, the opening of gates, etc. (It was pointed out that CERT teams used to be trained to do this.)
- © Discussions have begun with EBMUD regarding the use of the Summit Reservoir as a Temporary Refuge Area. During fire season there is a KPD trailer that can be stationed there with emergency supplies and water (it was pointed out that this would be more useful in earthquake than in fire, but access to water would be especially important in fire for a TRA). Access to the broad field above the reservoir is easiest if local residents (e.g., some EPC members) are provided keys; cutting the lock is another option. The access road between Beloit and Grizzly Peak/Spruce west of the Reservoir could be opened for emergency vehicles. EBMUD would need a "hold harmless" agreement. It was pointed out that the reservoir's field is planted with tall grasses, which would be hazardous in case of fire. It needs to be determined whether there is a good source of water at the surface for the protection of evacuees taking refuge.
- (d) Bollards throughout the town need to be removed during fire season for 3-4 months until the first big Spring rain each year. They should be replaced with removable chains and a hanging sign that prohibits removal. The bollards outside Hilltop School are currently in the control of the school, but this needs to be changed; the lower Kensington Park Drive bollards and those on Windsor Avenue are controlled by the KPD.
- € Ofc. Harms has been in contact with Mr. Monash Sen (CCC DPW in charge of traffic operations) to ask about painting some curbs red and changing the direction of parking on some cul-de-sacs (Windsor, St. Albans, York, etc.).
- (f) Block party meetings will be planned to introduce neighborhood residents to necessary changes in parking. Heather at the CCC OES will provide CWS packets and we'll get copies of the Traffic Evacuation Study findings. (It was noted that over 90% of Kensington residents are apparently already signed up for CCC CWS, but Nixle and other systems can also be installed.)
- (g) In the longer term, we will want to procure blue generic evacuation signs for critical intersections and paths, as well as signs for any newly designated one-way streets, as well as curbs that need to be painted red.

Lisa Caronna pointed out that (1) projected changes need both follow-up and memorialization, i.e., good communication with the public and buy-in from the District Boards, and (2) it is really helpful during public presentations (Board meetings, block parties, town hall meetings) that representatives of both the FD and PD are present to show cooperation, solidarity, and the importance of changes that may be unwelcome to some residents.

Kevin proposed that Lisa and he revise her draft proposed recommendations to the KFPD Board for approval (ACTION); seconded by Dave Spath; passed 7-0.

- 5.3 Sirens: Katie Gluck reported that she provided the Polygon map and a street map of Kensington to the people at Genasys (siren manufacturer in southern CA). They have created a sound map and projected the need for three sirens in Kensington and their possible placement. Now they have to reconnoiter the town and potential locations along with the topography and sound sheds (Danielle will help Katie provide them the data). During or after this visit, Kevin, Larry, Katie, and Danielle will work with them regarding additional information and questions. Following that we can schedule a Zoom meeting with the full committee and other emergency personnel to discuss next steps. 5.4 Peter Guerrero summarized a recent discussion hosted by Supervisor Gioia's office about a possible Joint Powers Authority to address wildfire risks in the East Bay Hills. Under California law, the Authority would be composed of East Bay cities and counties and authorities and districts, including EBMUD and EBRPD. An Authority would provide for citizen involvement in decisionmaking as well as improved likelihood that East Bay communities would receive grants and funding needed to reduce wildfire risks. It was noted that this is particularly timely since the future of the Diablo Fire Safety Council is uncertain and the Hills Emergency Forum has neither dedicated funding nor authority to require risk reduction activities.
- 5.5 Discussion of projected KFPD vegetation inspections had to be curtailed for lack of time.
- 5.6 Berkeley's annual chipper service for neighborhoods was discussed. Our situation may be different than Berkeley, and much green waste may already be handled by BayView Refuse. However, larger items like trunks and big branches may not be accepted. Moreover, as Peter G pointed out, it is a great motivating factor to institute a community effort to clean up, given a concrete deadline for the chipper, and they will take material larger than green waste. Lisa volunteered to check with BayView and with the Berkeley Parks people. 5.7 Kevin noted that the Fire Danger Sign arrived at the PSB on March 2, but RGS was not able to work with the County to get it installed. Kevin will work with Chief Pigoni to identify the exact location for it, and Mary can follow up with the County to make arrangements for its installation.
- 6. The next meeting will be held on Thursday, June 25, 3-5 pm. Agenda items will be due on Monday, June 15, and supplemental materials by Monday, June 22. Mary will set up the meeting with the District's Zoom account.
- 7. Adjourn: The meeting was adjourned at 5:09 PM.

These minutes were prepared by Kevin Padian and approved at the Committee meeting on 25 June 2020.

Attest:

Laurence W. Nagel, Co-chair, Emergency Preparedness Committee

#### Progress on Traffic Evacuation Implementation, June 2020

At the June 25 meeting of the Emergency Preparedness Committee we discussed with Ofc. Brad Harms of KPD the current status of various projects to help mitigate traffic dangers in case of a conflagration.

- 1. Ofc. Harms and Director Padian met with the Sunset View Cemetery director, who was very cooperative. They are cognizant of the value of using the cemetery roads to evacuate vehicles and people (helping about 30% of expected traffic to drain from the hills), and to serve as a Temporary Refuge Area. We agreed to purchase two high-reflection "Exit" signs to be placed inside the cemetery at critical junctions to aid evacuation. We will also procure blue "emergency evacuation route" signs to be placed at the Sunset Avenue gate, which may be opened by police personnel and hopefully by local residents (see below).
- 2. Working with the CCC DPW, the eight bollards around town, particularly in the area of Kensington Park, will be removed and replaced with a removable chain and a sign indicating "Emergency Evacuation Route Only." This will allow two more exit routes from Hilltop School and surrounding streets during an emergency.
- 3. Negotiations continue with EBMUD over the possibility of using the field atop Summit Reservoir as a Temporary Refuge Area.
- 4. Plans are under way to organize local neighborhood groups to meet with KFPD and KPD personnel to raise awareness of good traffic practices, the need to plan evacuation routes, and potential necessary changes in parking during Red Flag Days and other times. Ofc. Harms recommended the formation of a corps of trained volunteers to help with this education campaign, to take important information from residents regarding their evacuation needs, and other concerns. At his recommendation we are procuring vests for volunteers to use during these and other events, and additional copies of the "El Cerrito & Kensington Residents Guide to Wildfire Preparedness and Evacuation," which was distributed last year to Kensington residents. Specific evacuation routes are being planned for several neighborhoods in which parking changes may need to be temporarily or permanently implemented. Once these routes are determined, blue evacuation signs will be procured for all relevant intersections.
- 5. The EPC recommends that the Board send a letter (draft attached) to the CCC Fire Chief and other officials, asking that one of the two cameras on Vollmer Peak exclusively survey Wildcat Canyon during DWE events, and offering the services of local residents to help monitor the cameras.
- 6. The EPC recommends that the Board invite a representative of ZoneHaven, which created the "polygon" model for Kensington and El Cerrito, to attend a Board meeting to explain the particulars of their work related to contractual, financial, and legal obligations, as well as the specific function and operation of their model and potential requests for future support and implementation (summary attached).
