# **CONSENT CALENDAR**

**MINUTES OF THE AUGUST 8, 2012 MEETING OF THE BOARD OF DIRECTORS  
OF THE KENSINGTON FIRE PROTECTION DISTRICT**

---

**PRESENT:**      **Directors:**      Helmut Blaschczyk, Joe de Ville, Nina Harmon, Janice Kosel  
                         **Staff:**                      Chief Lance Maples, Manager Brenda Navellier  
                         **Absent:**                     Director Leslie Michael

**CALL TO ORDER:**

President Kosel called the meeting to order at 7:30 p.m. and noted the Directors and staff that were in attendance.

**APPROVAL OF CONSENT ITEMS:**

President Kosel called for approval of the consent calendar (items 3, 4, 5 & 6) consisting of approval of the minutes of the June 13, 2012 meeting, approval of the June incident activity report, approval of the monthly transmittal #2, and approval of the May/June 2012 monthly financial report. Director Blaschczyk made a motion to accept the consent calendar items as presented. The motion was seconded and passed unanimously.

**ORAL COMMUNICATIONS:**

Navellier pointed out a run-on error on item 9 of the agenda that should be struck. All necessary information to conduct item 9 is listed and correct.

**CHIEF'S REPORT:**

Captain Janes worked three different incidents in Colorado between June 25<sup>th</sup> and July 12<sup>th</sup>. B/C Gibson, Captain Grunseth, Captain Hoyer-Nielsen, Engineer Cesmat, and Firefighter Grupalo CFD all reported to the Robbers Fire near Auburn from July 12<sup>th</sup> through the 17<sup>th</sup>.

Chevron had an incident of magnitude this past Monday, August 6<sup>th</sup>. Chief Maples and B/Cs Dougery and Gibson all worked the incident. There were minor injuries to three Chevron employees. The fire went from normal to extreme very rapidly. A Type I engine was destroyed during the fire. El Cerrito-Kensington engines helped cover the calls into Richmond. This was a great example of a successful auto and mutual aid event. All agencies moved up to help as they should have. Maples said he is satisfied that our firefighters have the proper equipment and training to assist at a Chevron fire. Chevron provides training at no cost through Texas A & M. Maples said that communications were also adequate. The community warning system sounded 10 minutes after the fire started. Sirens continued to run every 45 minutes. The news reported the shelter-in-place for Richmond, No. Richmond and San Pablo. There was no shelter-in-place for El Cerrito or Kensington but there was a health advisory. County Health was taking air samples to make these determinations. If you can hear the sirens, shelter-in-place and turn on the radio/TV for information. The next newsletter will report on how to sign-up for reverse 911 on a cell phone. Maples reported that there 3 Chevron engines, 5 Richmond engines, 5 strike teams and 5 petrol mutual-aid engines, totaling 18 engines.

EBMUD started the upgrades on Arlington/Westminster this week. The County has requested traffic flag control which will increase the project cost by an estimated \$20-30,000.

Maples attended today's LAFCO meeting to provide a fire service update for El Cerrito and Kensington. LAFCO seems to have a better understanding of their role, what they can and can't enforce and taking into consideration a community's political will. Maples gave the Board an overview of his LAFCO report. There have been many consolidations during the past 40 years. The Contra Costa County Chief commented during the meeting that there is not necessarily any savings in considering current consolidations. All agencies have already scaled down through JPAs, automatic aid, shared training, etc. LAFCO has been helpful in bringing all fire agencies together to discuss current issues with the press also in attendance. Maples further discussed partnerships and auto/mutual aid and its necessity.

Tri-City Safety Day will take place on Saturday, September 8 from 11 a.m. to 3 p.m. President Kosel said KFPD is happy to provide lunch for the workers as usual.

**PRESIDENT'S REPORT:**

President Kosel reported that KFPD participated in the 4<sup>th</sup> of July fair in El Cerrito. KFPD's engine will participate in the Solano Stroll on September 9<sup>th</sup>. Kosel will report on KFPD's current achievements at the annual KIC meeting on September 22<sup>nd</sup>. There will be agency updates and also election candidates. September's KFPD meeting will focus on the annual budget. Kosel and Blaschczyk will be reviewing the final budget prior to that meeting.

**NEW BUSINESS:**

Public Hearing – Resolution 12-08 Declaring Weeds, Rubbish, Litter or other Flammable Material on Designated Private Properties Constitutes a Public Nuisance and Providing for Notice that the Fire Chief or Designee Shall Abate Such Public Nuisance Conditions if not Abated by the Property Owner: President Kosel explained the process of the annual vegetation management program and noted Exhibit A that lists 18 properties that are not in compliance with Kensington's vegetation standards. FPO Ciappara said that 131 Lawson Road has cleared their property and should be removed from the list on Exhibit A. No one was present from any of the other 17 properties to protest their property being listed. President Kosel then opened the public hearing and called for the staff report and recommendation. FPO Ciappara introduced himself to the Board. He reported that 70 initial properties were narrowed down to the current 17. Ciappara reviewed the entire vegetation management process. After the public hearing, a final declaration of public nuisance will be mailed dated 8/9/12. Abatement will take place between 8/15 and 8/29/12. Ciappara answered several questions about the process. President Kosel closed the public hearing.

Director de Ville made a motion to enact Resolution 12-08 as submitted with the deletion of 131 Lawson Road from Exhibit A. The motion was seconded and passed unanimously.

Kosel noted that there is usually tremendous voluntary compliance in the community and Maples said it is not the District's desire to abate property owners. Ciappara explained how he goes parcel-to-parcel and usually speaks to every parcel owner in person.

**BOARD REPORTS:**

Finance Committee: Will report in September with the final budget.

Diablo Fire Safe Council: There is a new round of cost share neighborhood grants being distributed.

Resident Anthony Knight asked about the two open positions on the Board of Directors and if there were any applicants for the positions. The County will have the current information.

**ADJOURNMENT:** The meeting was adjourned at 8:28 p.m.

MINUTES PREPARED BY: Brenda J. Navellier

# **CHIEF'S REPORT**

**KENSINGTON FIRE PROTECTION DISTRICT  
MEMORANDUM**

September 2012

TO: President and Board Members, Kensington Fire Protection District

FROM: Lance J. Maples, Fire Chief

SUBJECT: **Fire Chief's Report**

---

**Department Responds to Lake County Fires**

On August 13, 2012 at 6:00 am Battalion Chief Michael Pigoni was dispatched as a Strike Team Leader trainee to lead resources from Pinole Fire Department, Moraga – Orinda Fire Protection District, San Ramon Valley Fire Protection District, Contra Costa County Fire Protection District as well as El Cerrito-Kensington Fire Department to the Wye Fire in Lake County which had started the evening before around 4:00 pm. Captain Larry Carr, Engineer/Paramedic Travis Crumpacker, Engineer/Paramedic Peter Benson and Firefighter/Paramedic Damien Carrion staffed Engine 372 on this team. There were actually two fires in this area, the Wye Fire and the Walker Fire that was a couple of miles apart and had grown to over 5,000 acres in less than 12 hours. Both of these fires were grouped together as one incident by Monday morning. The Strike Team arrived at the fire at 10:00 am and was assigned to assisting with suppression and structure protection operations. The crews remained on duty through the night for 24 hours straight until they were released back to camp for rest and rehab. The Strike Team remained assigned to the incident through Friday, August 17, 2012, at which time the fire had increased in size to almost 8,000 acres but was over 50% contained. There were no injuries during this assignment and everyone returned home at approximately 4:00 pm.

**Fire Department Staff Assists with Fires in Plumas National Forest**

On August 15, 2012 at 8:00 am, Captain/Paramedic Kevin Janes was activated as part of a Federal Incident Management Team to work as a Communication Unit Leader Trainee on the Chips Fire in the Plumas National Forest. Kevin is responsible for the daily communication plan, programming staff radios and works with other communication support personnel to ensure the incident communication needs are met. The fire which started on July 29, 2012 has grown to over 50,000 acres and has spread to the Lassen National Forest is only 37% contained. This fire is located in extremely rugged county and has forced the evacuations of numerous communities off and on depending on its direction of travel. Captain Janes reported yesterday that even their base camp is being threatened by the fire and they are making contingency plans to evacuate camp and keep a limited team to defend the infrastructure. The fire, which has already been burning for over three weeks, is not expected to be contained until the end of this month. Kevin will be deployed on this incident for a maximum of 21 days. He reports that all is well.

## **Department Responds to the Shasta Area Lightning Fires**

Captain Larry Carr, Captain Jose Castrejon, Engineer/Paramedic Chris Renshaw and Firefighter/Paramedic Tom Wade responded Sunday morning at 1:00 am with the OES engine to the Redding area as part of a multi-county strike team of OES engines from the Bay Area. The OES engines which are owned by the State were dispatched to assist with the numerous lightning caused fires in the Shasta area. Our crews arrived in the area by dawn and were assigned to direct suppression activities and structure protection in the community of Shingletown. They worked through the day and night and were finally relieved Tuesday afternoon after being on the line for over 30 hours to return to the base camp to rehab. They are assigned to the Ponderosa Fire which at this point is over 20,000 acres and is approximately 35% contained. There are almost 2,000 personnel on this incident and over 200 fire engines. At last report the fire had calmed down as the weather was cooperating which was assisting in crews getting the upper hand. Local resources will probably be out through the end of the week.

## Fire Prevention Week Open House

This year's national fire prevention week theme is "Have 2 Ways Out!". It is important to have a home fire escape plan that prepares your family to think fast and get out quickly when the smoke alarm sounds. What if your first escape route is blocked by smoke or flames? That's why having two ways out is such a key part of your plan. This year's theme, "Have 2 Ways Out!", focuses on the importance of fire escape planning and practice.

Kensington Fire will hold its annual Fire Prevention Week Open House on **Saturday, October 13, 2012**. The fire station will be open to the public from

**12:00 noon  
until 4 p.m.**

Bring the family, and drop by for fire safety tips and hand-outs, 24-hour emergency kits, CPR hands-only demonstrations, and refreshments.

In addition, fire staff that are certified car seat installers will be providing child car seat safety checks to residents on a drop-in basis during those hours.

## Tri-City Safety Day

On **Saturday, September 8, 2012**, the Kensington Fire Protection District will be joining the El Cerrito Fire Department and the City of Albany to host Tri-City Safety Day at the El Cerrito Plaza shopping center.

Local children enjoying last year's Tri-City Safety Day.

and a firefighter vehicle extrication with the "jaws-of-life".

Fire and police agencies from Kensington, El Cerrito, Richmond, and Albany will all be represented, along with the Contra Costa County Hazardous Materials unit, the County Sheriff's office, the American Red Cross, County Supervisor Gioia's office and animal rescue who will also be in attendance.

Tri-City Safety Day will take place from 11:00 a.m. until 3:00 p.m. in front of the Lucky grocery store and is a family friendly event. Don't miss the fire trailer where your children can practice a simulated fire escape. Bring your family, have some fun and get valuable safety tips from the experts!

Drop by and see live demonstrations from the K-9 unit, police bicycle unit,

## Kensington Is a Heartsafe Community!

With KFPD as the lead, the community of Kensington has achieved HeartSafe designation!

At the District's June 2012 meeting, County Supervisor John Gioia and County Emer-

gency Medical Services Director, Pat Frost presented the Board of Directors and Fire Chief Maples with an official letter of designation.

Kensington earned the required "heartbeats" as automatic external defibrillators (AEDs) were placed in targeted locations throughout the community. AMR ambulance company donated the AEDs at no cost to the community. Placing AEDs in the community decreases the time to first shock and saves lives.

You can learn CPR by taking

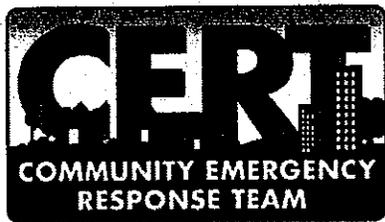

one of our classes offered this fall.

KFPD will continue to encourage all Kensington residents to:

- *Know the signs of cardiovascular emergencies;*
- *Act in Time—Call 9-1-1 when you or someone you are with suffers from those symptoms;*
- *Learn CPR and how to use an AED; and*
- *Take your own heart health seriously, thereby decreasing the risks of cardiovascular disease.*

## CERT Disaster Preparedness Training—Sign Up Now!

KFPD is currently offering a fall session of Community Emergency Response Team training. Now is the time to sign up and learn how to help yourself, your family, and your neighbors during a time of a disaster! Class size is a maximum of 25 people.

### CERT TRAINING

Utilizing the CERT curriculum, this 20-hour program is designed to assist residents of Kensington to be self-sufficient in the event of a disaster. Classes are offered free of charge. This fall session will take place at the **Arlington Community Church**, 52 Arlington Ave., Kensington on **Tuesday evenings** from 6:30 to 9:00 p.m.. The final drill will take place on a Saturday.

### CERT BOOT CAMP

CERT Boot Camp is designed for those participants who cannot dedicate the required 20 hours for full training. This non-certified one-day training will introduce all CERT program areas in a condensed format.

Boot Camp will take place on Saturday, **October 13, 8:30 a.m. to 5:00 p.m.** at the Arlington Park Clubhouse, 1120 Arlington Blvd., El Cerrito

### How can you sign-up?

Call (510) 215-4450 or email [kensingtonfirepd@aol.com](mailto:kensingtonfirepd@aol.com) to sign up for these CERT classes.

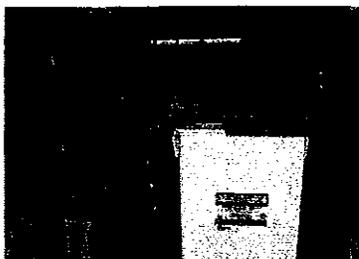

CERT participants receive free emergency preparedness items to complement their training.

## Pharmaceutical Disposal Program

KFPD, in conjunction with KPPCSD, will be holding a free community pharmaceutical drop-off event on **Saturday, September 29, 2012.**

We will be accepting unwanted/expired medications through the U.S. Drug Enforcement Agency's "Got Drugs?" national take-back initiative.

Drop off is between the hours of **10:00 a.m. to 2:00 p.m.** at the Kensington Fire Station,

217 Arlington Avenue, Kensington. No questions are asked.

We are now able to accept *all* medications including narcotics. Please be sure to put any

used sharps into a container and please no drop-offs other than during the designated time.

We do not accept any household hazardous waste.

It is important not to flush your unwanted medications down the toilet as they will pollute our drinking water and ground soil. Unwanted medications left in your medicine cabinet put children and teens at risk. Call (510) 215-4450 with any questions regarding this event.

## Reverse 911 Notification System

In light of the recent fire at the Chevron facility in Richmond, now is a good time to review the many ways residents can receive information on what is happening in their community.

Before an emergency happens, prepare yourself to receive as much information about an incident as possible. You can register to receive emergency alerts on your cell phone. To do so, go to the Sheriff's Office website at [www.cws.cccounty.us](http://www.cws.cccounty.us) and follow the instructions. You can also find instructions at this website for receiving email and Twitter alerts. Do not call 911 for information.

Remember, if you can hear the Community Warning System sirens, the best first

protective action is always to "Shelter, Shut and Listen".

Radio and television broadcasts are usually the best source of on-going information about an emergency.

Before an emergency happens, check the County website ([www.co.contra-costa.ca.us](http://www.co.contra-costa.ca.us)) for complete information on the Community Warning System and additional helpful websites for info during an emergency.

## CPR/First Aid Classes

One of the ways the Kensington community earned "heartbeats" to become a designated HeartSafe community is by offering and training residents in CPR and First Aid. It is important to know the signs of a cardiovascular emergency.

Our classes are taught in small groups and priority registration is

given to residents.

We are offering only two classes this fall:

**October 6** at the Arlington Community Church, Kensington

**November 10** at the El Cerrito Senior Center.

Classes begin with CPR promptly at 9:00 a.m. There is a

break from 12:00 noon to 1:00 p.m. for lunch on your own. First Aid resumes from 1:00 until 4:00 p.m.

There is a \$27 fee for CPR and a \$27 fee for First Aid.

To register, call (510) 215-4450 or email [kensingtonfirepd@aol.com](mailto:kensingtonfirepd@aol.com). Classes fill up quickly!

## Water System Fireflow Improvements

During the months of August and September, East Bay Municipal Utility District, on behalf of the Kensington Fire Protection District, will be making improvements to the water main that runs along Arlington Avenue between Sunset Ave. and Westminster Ave. and turns east up Westminster.

District funded improvements to the water main improve the fire hydrant flow in the event of a major conflagration.

This is the sixth phase of improvements in the community in which the District has partnered with EBMUD.

This phase replaces 1,500 feet of 6-inch water main with an 8-inch water main in order to improve the water pressure in the area. Once the improvements are complete, it is anticipated that the changes will bring this area to a point where 1,500 gallons per minute (gpm) can be achieved from

any two hydrants. This gpm goal was determined in KFPD's 1998 Water System Improvements Master Plan.

In addition to the previous five phases of pipe line improvements, 32 hydrants have been added throughout the Kensington community during the past 10 years.

The Arlington/ Westminster improvements is a cost-share project between KFPD and EBMUD.

**DATE:** August 14, 2012  
**TO:** CSDA Voting Members – REGION 3  
**FROM:** CSDA Elections and Bylaws Committee  
**SUBJECT:** **CSDA CALL FOR NOMINATIONS – Board of Directors  
Region 3, Seat A**

CSDA is conducting a call for nominations for a Region 3, Seat A Director for the remainder of the 2010-2012 term, **concluding on December 31, 2012**. A vacancy has occurred on the CSDA Board and pursuant to the CSDA Bylaws, Article 3, Section 6C:

*In the event of a vacancy occurring "after" the nomination period has closed, the vacancy shall be filled by appointment. Notification of the vacancy and request for nominations shall be sent to all regular members in the region in which the vacancy occurred.*

*The region's existing directors sitting on the CSDA Board shall interview all interested candidates of that region and bring a recommendation to the Board of Directors of the CSDA. The Board shall make the appointment to fill the unexpired term of the vacated Board position.*

The leadership of CSDA is elected from its six geographical regions. Each of the six regions has three seats on the Board with staggered 3-year terms. Candidates must be affiliated with an independent special district that is a CSDA regular member located within the geographic region that they seek to represent. (See attached Region Map)

The CSDA Board of Directors is the governing body responsible for all policy decisions related to CSDA's member services, legislative advocacy, education and resources. The Board of Directors is crucial to the operation of the Association and to the representation of the common interests of all California's special districts before the Legislature and the State Administration.

**Commitment:** Serving on the Board requires one's interest in the issues confronting special districts statewide. A board member is expected to attend the remaining two board meetings in 2012 after appointment. Besides serving on the Board, each Board Member is expected to participate on at least one committee, which usually meets 3-4 times a year in Sacramento. CSDA reimburses directors for their related expenses for Board and Committee meetings as outlined in Board Policy. In addition, all Board Members are expected to attend CSDA's Annual Conference (held in the fall) as part of their obligation to the CSDA membership; expenses for this event are not reimbursed by

CSDA, even if a board meeting or committee meeting is held in conjunction with the event.

**Nomination Procedures:** Any regular member Independent Special District is eligible to nominate one person, a board member or managerial employee (as defined by that district's Board of Directors), for election to the CSDA Board of Directors. **A copy of the member district's resolution or minute action and a letter of experience or resume from the nominee must accompany the enclosed nomination form. The deadline for receiving nominations is September 14, 2012.** Nominations and supporting documentation may be mailed or faxed.

Nominated candidates will then be interviewed by the Region's existing directors and the successful candidate will be appointed by vote of the CSDA Board.

***DEADLINE FOR RECEIVING NOMINATIONS – September 14, 2012***

Captain Grunseth  
Engineer Cesmat  
FF Grupalo

Dear Kensington Fire Department,

Thank you for the great help you were to our daughter,  
Shea, on Mother's Day morning of this year.

She suffered a febrile seizure, and it was a  
terrifying experience for my wife & me. Your quick  
and competent response brought some calm to us when  
we needed it most.

We are immeasurably grateful to have had such  
well-trained professionals looking after our loved one  
(and us) that day.

Many, many thanks,

Ben, Hadley, & Shea Williams
