5.1 **Data.** Customer shall deliver Data to Supplier as reasonably requested by Supplier. Customer hereby grants to Supplier a non-exclusive, royalty-free, transferable, perpetual, irrevocable, worldwide, fully paid-up license (with rights to sublicense, including, without limitation, through multiple tiers of sublicensees) to use, reproduce, prepare derivative works, distribute, perform, display, and otherwise exploit the Data in connection with the SaaS Service and Supplier's (and its successors' and affiliates') business, including, without limitation, for the purpose of promoting and redistributing part or all of the SaaS Service. For the avoidance of doubt, this license survives any termination or expiration of this Agreement.

5.2 **Acceptable Uses.** Customer shall be solely responsible for its actions and the actions of its Users while using the SaaS Service. Customer acknowledges and agrees: (a) to abide by all local, state, national,

and international laws and regulations applicable to Customer's use of the SaaS Service, including, without limitation, the provision and storage of Data; (b) not to use, send or store data on or to the SaaS Service which violates the rights of any individual or entity established in any jurisdiction; (c) not to upload in any way any data regarding an individual's financial or economic identity, sexual orientation, religious beliefs, medical or physical identity; (d) not to interfere or disrupt networks connected to the SaaS Service or interfere with other ability to access or use the SaaS Service; and (e) to use the SaaS Service only in accordance with the Documentation. Upon determining that Customer has ceased the unauthorized conduct leading to the temporary suspension to Supplier's reasonable satisfaction, Supplier shall reinstate Customer's and its Users' access and use of the SaaS Service. Notwithstanding anything in this Section to the contrary, Supplier's suspension of SaaS Service is in addition to any other remedies that Supplier may have under this Agreement or otherwise, including but not limited to termination of this Agreement for cause. Customer shall comply with all applicable tax laws and regulations. Customer hereby agrees to indemnify Supplier for any Taxes and related costs paid or payable by Supplier attributable to Taxes that would have been Customer's responsibility under this **Section 8.5** if invoiced to Customer. Customer shall promptly pay or reimburse Supplier for all costs and damages related to any liability incurred by Supplier as a result of Customer's non-compliance or delay with its responsibilities herein. Customer's obligation under this **Section 8.5** shall survive the termination or expiration of this Agreement.

ONGOING SUBSCRIPTION

Zonehaven is working with Contra Costa County on potentially using a UASI grant to fund a countywide Evacuation Management Platform (EMP) and Community Evacuation Interface (CEI). This grant and contract are not likely to be executed until early next year. So, this subscription can be thought of as a bridge, allowing the City to get out in front of this and be ready for the current fire season.

The Zonehaven Evacuation Management Platform (EMP) and Community Evacuation Interface (CEI) are priced by population tier (Exhibit B: Zonehaven Price Sheet). Zonehaven provides a standard 15% discount for multi-year contracts (minimum 3 years) for counties. However, as the City of Kensington was an early Zonehaven supporter, we applied a 30% multi-year discount.

Pricing Tier	Product	List Cost/Yr	Discount	Cost/Yr	# Years	Total
City 1: up to 20K Population	Annual EMP Subscription: Standard Wildfire Module	\$10,000	30%	\$7,000	3	\$21,000

Pricing Tier	Product	List Cost/Yr	Discount	Cost/Yr	# Years	Total
City 1: up to 20K Population	Annual CEI: Community Evacuation Interface	TBD		\$0	3	\$0

Supplier shall invoice the City for payment as follows

1. \$7,000 upon execution of the contract. This date becomes the official annual subscription start date.
2. \$7,000 one year after subscription start date
3. \$7,000 two years after subscription start date
