Dear Directors:

I ask that you vote for Rick Artis to fill the seat on the Board.

Rick has been active in doing good for Kensington over the years.

I remember the Ad Hoc Committee, where he was always on point, reserved, data driven, and kept it professional.

He listens well and works to find common ground, remains open minded while seeking clarity.

He has a wonderful drive to continue to learn and grow with a willingness to alter his opinion should new data come to light.

His demeanor is well suited for this position and I believe he would make an outstanding Director.

Thank you for your time and consideration.

Sincerely,
Katie Gluck

While I am a member of the Kensington Fire Protection District Emergency Preparedness Committee, I am petitioning you as a private citizen and resident of Kensington.
